Chiang's Planes Bomb Mukden As Reds Take Over

NANKING (AP)—Mukden was bombed today by Chinese government planes shortly after the Communists had completed occupation of the city.

There were many bomb explosions, including several within two blocks of the United States consulate. Casualties and damage were not known.

The bombing gave immediate point to the words of President Chiang Kai-shek, who told his Kuomintang (governing party) Central Committee today that China "must accept the lessons of defeat by the Communists and fight on."

GOVERNMENT SHAKEN

There was no hint of surrender from the weary Chinese leader, whose government has been shaken to its foundation by the wholesale defeats of his troops in the last three weeks.

In his first official appearance since his return from two weeks in the north where the cream of his armies were destroyed or went over to the Communists, Chiang declared:

"We have had reverses in the northeast (Manchuria), but the Communists are not yet in a position directly to menace North China."

Authoritative sources here said the Communists had occupied Mukden completely at 3 p.m. and that the last government officials had fled from there three days ago. The government has had no radio communication with Mukden since 6 p.m. Sunday, but the U.S. Consulate radio there is still functioning and in communication with American authorities here and in Shanghai.

CRUISER ON GUARD

The Chinese navy, backed by the six-inch guns of its former British cruiser, the Chungking, is guarding the ports of Yingkiw and Juliao as possible escape avenues for whatever National troops manage to get out of Mukden.

The President insisted the "overall war situation does not give cause for worry."

Britain Maintains Policy On Spain

LONDON (AP)—Christopher Mayhew, Parliamentary Under-Secretary for Foreign Affairs, said today "no change has been or is contemplated" in Britain's policy toward Spain.

Mayhew replied in the House of Commons to Conservative members Maj. Guy Lloyd and Martin Lindsay, who had asked if a change was planned "in view of the present international situation."

Eclipse, Fog, Rain

NAIROBI, Kenya (AP)—The heaviest rain, clouds and fog in the history of Nairobi coincided with this morning's total eclipse of the sun.

At dawn visibility of the main peaks was down to a few yards on the Ngong Hills, in the strait of the path traced by the sun's shadow, the mist blotted the landscape. No phases of the eclipse were visible until the sun was re-emerging.

J.N. Marks Time As Envoys Scatter For Brief Respite

PARIS (CP)—Delegates to the United Nations scattered through the European brief holidays, attending the result of the United States Presidential election tomorrow.

L. B. Pearson, Minister of External Affairs, is expected to reach here today to head the Canadian delegation.

Informed sources said that the vacation trips of United States diplomats were concerned with laying the foundation for future moves in the battle against communism.

Delegates had an extra day to spend as the United States celebrated its 75th birthday, a national day in France.

John Foster Dulles, Foreign Affairs adviser to Governor Thomas E. Dewey and possible Secretary of State if the Republican candidate wins in tomorrow's election, flew to Scandinavia for conferences with Danish, Norwegian and Swedish leaders.

The subject of the informal talks was said to be possible adherence by the three northern countries to the projected North Atlantic security pact. The pact would add Canada and the United States to the five countries of the Western European Union—Britain, France, Belgium, The Netherlands and Luxembourg.

Sweden Reluctant To Sign

Sweden and Denmark have agreed to sign the Atlantic security pact, but the Swedish government is reluctant to make commitments in the east.

Philip C. Jessup, who argued the American case on Berlin before the United Nations' Security Council, was in Germany for meetings with Gen. Lucius D. Clay, U.S. Military Governor.

Four Were Lucky To Escape Death

Four persons who were in this U-drive car Sunday evening miraculously escaped dangerous injuries or death when it careened off the road and plunged over a rocky embankment and continued on for 150 feet, turning over en route, before coming to a halt. Accident happened on John Dean Park Road, off East Saanich Road on the way to Sidney. Carol Lynas, 143 Bushby Street, suffered a long gash on the left leg. Police said car was driven by John Burdo, H.M.C.S. Naden, who along with two other passengers escaped with minor hurts and shock. (See accident story, page 3)

Rain Clears Death-Dealing 'Smog' From Stricken Town

DONORA, Pa. (AP)—A steady all-night rain washed the air above this Monongahela River industrial town where smog was blamed as an accessory in the deaths of 19 elderly people in 36 hours.

Meanwhile, chemists studied tests made of the air over Donora Sunday in hope of discovering whether there was any gaseous ingredient in the smothering mixture of fog and smoke which could have caused the deaths and suffering of more than 400 others.

ZINC WORKS CLOSED

The Donora zinc works of the American Steel and Wire Company closed and plant superintendent M. M. Neale said they would remain so until it was determined whether the fumes and smoke given off by the smelter furnaces had anything to do with the conditions.

Saturday the town's eight doctors were besieged by calls from asthmas and cardiac sufferers.

LATEST Police Chief Purged

BERLIN (AP)—The Russian-licensed Adn news agency said today Rudolf Wagner, chief of the uniformed German police in the Soviet zone of Berlin, had been dismissed. Anti-Communist newspapers reported several days ago the Communists had purged him.

Airlift Costly

LONDON (AP)—The Berlin airlift cost Britain £2,300,000 (\$9,200,000) up to Oct. 26, Parliament was told today. The figures were supplied by Christopher Mayhew, Under-Secretary for Foreign Affairs, who said the cost during October averaged £185,000 a week.

Union Reinstated

OTTAWA (CP)—The Canadian Congress of Labor today announced reinstatement of the International Union of Mine, Mill and Smelter Workers, suspended from its membership three months ago, to good standing.

Soviet Fleet Talk

MOSCOW (Reuter)—The central committee of the Soviet Union Communist Party today called for a "mighty fleet of the Soviet state" and exhorted soldiers to "strengthen the might of the Soviet armed forces." The occasion was Moscow radio's observance of the 31st anniversary of the 1917 Bolshevik revolution, Nov. 7.

Danish Prince Axel Visiting Victoria

Prince Axel of Denmark, head of a large trade empire, today is completing inspection of his company's interests on Vancouver Island and will stay in Victoria until Tuesday afternoon before continuing a world-wide tour.

The prince's East Asiatic Co. of Copenhagen, with Gibson Bros. of Vancouver, recently formed a new logging company at Port Tassie to develop timber holdings of about 1,250,000 feet.

Prince Axel says business interests prevent him from taking much part in social duties at home. These interests cover many things, including rubber, tea, logging and oil reduction and are located in nearly every country in the world. Before the war, his company operated 25 ships on the world's oceans.

Following his brief stay in this city, Prince Axel will continue his tour of company offices in Seattle, San Francisco, Japan, China, the Philippines, Hongkong, Indo-China, Malaya, Burma, India, Australia and Siam.

He expects to return to Copenhagen next February.

Charged With Robbery Of City Jewelry Store

A preliminary hearing was elected by Edward Evans, of heavy build and six foot two inches in height, when he appeared in city police court today and was charged with the early Saturday morning robbery of Little & Taylor's jewelry store, 1209 Douglas Street.

A hole was punched in the firm's show window and a number of ladies' watches were stolen by a smash-and-grab artist, police reported.

The Chinese janitor of the Scollard Building spotted a man fleeing from the scene of the robbery and was able to furnish police with a description.

Constables W. W. Calwell and George Smith were on Hallowe'en duty at Yates and Douglas Streets during the week-end, when they saw accused, according to the police report. They contacted the station and Evans was ultimately brought in and charged with the breaking and entering.

Sees 'Mental Attitude' Of Secession Created By Continuance Of Injustice

Four Russians Brutally Kill U.S. Official

VIENNA (AP)—Four Russian soldiers were blamed for bludgeoning a United States official to death and savagely beating his Austrian girl companion.

Irving Ross, 38, an official here of the Economic Co-operation Administration (E.C.A.), was found dead early Sunday in his abandoned automobile in the Russian sector of Vienna.

Anna Sutkenina, Ross' companion, told Austrian police she and Ross were riding in the Soviet sector when four Russian soldiers stopped them near the South railway station. Two of the Russians tried to enter the car, she said, and when Ross resisted, they beat him over the head with their rifle butts.

BAR VISITORS

Austrian police officials said they had orders from district Russian headquarters that no one was to be allowed to visit Miss Sutkenina in hospital.

U.S. army investigators said, "there are many questions to which we lack answers," including a motive for the vicious beatings.

Unofficial American sources said Miss Sutkenina was the last of a number of persons Ross was driving home from a Saturday night party.

Salvage King Helps Free U.S. Tug From B.C. Reef Today

The U.S. navy tug Mahopac was freed from a B.C. coast reef south of Ocean Falls shortly before noon today, it is reported by officials of Pacific Salvage Co. Ltd., whose tug, Salvage King, took part in the rescue operations.

The Mahopac went aground on Dall Rock, Seaforth Channel, Saturday afternoon while en route to Alaska. She carried a crew of three officers and 38 men.

The Salvage King sailed from Victoria for the scene shortly after 5 Saturday afternoon and arrived there at 11 this morning. Also at the scene of the rescue today were three other vessels, one a Canadian vessel, another a U.S. Coast Guard vessel, and the tug Barbara Foss.

By-election Date To Be Set Wednesday

OTTAWA (CP)—George Drew, new national leader of the Progressive Conservative Party, said today after a 20-minute meeting with acting Prime Minister St. Laurent that the date had not yet been set for a by-election which will pave the way for his entry into the Commons.

Later at a press conference, Mr. Drew said the next meeting of the federal cabinet will be held Wednesday. He assumed a date for the by-election in Carleton, Ont., then would be fixed.

Whales In Clyde

GLASGOW (Reuter)—Crowds today watched two whales, each longer than 20 feet, diving, surfacing and blowing plumes of spray in the river Clyde less than a quarter of a mile from the centre of this city. How they managed to penetrate miles of docks and shipyards without being seen is a mystery. Unless they can be made to move they will be a danger to small craft.

VANCOUVER (CP)—Attorney-General Gordon S. Wismer of British Columbia today charged that discriminatory freight rates are driving people of B.C., in sentiment at least, out of Confederation.

Before the Board of Transport Commissioners, Mr. Wismer opened a full-scale battle against the so-called mountain differential in railway freight rates in force since 1922.

He said the railways were conceived as an instrument for furthering national unity, but now discriminatory rates had created a "mental attitude" of secession in B.C.

Premier Byron Johnson, in an historical review, declared that continuance of differential rates would be an injustice that violates the "very spirit and purpose of Confederation."

Mr. Johnson said imperial and national problems were considered when the railways were built, and military consideration of national defences were given weight.

British Columbia's entry into Confederation was aimed by the demand of Canada and the direction of the Imperial government,

Agreement Had Effect Of Treaty

"British Columbia's pact with the Dominion was in the nature of and had the force and effect of a treaty... the agreement for the construction of a railroad was with the Dominion government and not with the C.P.R. Company."

Mr. Johnson had arrived here early today after seven weeks in Britain. Delayed 16 hours by fog, the plane in which the Premier traveled tried twice Sunday night to land here and finally came down at Abbotsford, 40 miles inland.

Mr. Wismer presented the application of the province for removal of the mountain rates. He said the differential has retarded the growth of the province

and placed an undue burden on its people.

The board, headed by Mr. Justice M. B. Archibald of Ottawa, will hear submissions by the province, boards of trade, and industrial representatives.

Mr. Wismer said: "We will show that the incidents of the mountain differential is found in many of the domestic rates on freight which does not cross the mountains, and the movement of which is in no way affected by the mountain differential."

In declaring the railways were conceived as an instrument for furthering national unity, Mr. Wismer said: "In these discriminatory rates they are creating sectionalism and disunity."

Ontario P.C.'s To Name Leader Apr. 27

TORONTO (CP)—A new leader will be chosen by the Ontario Progressive Conservative Association at a convention next April 25 to 27.

Meantime Premier Thomas L. Kennedy, who is 70, will lead the government through the next session of the legislature, expected to start in February. He will not stand for re-election.

A meeting of 496 delegate members of the provincial association set the April convention date Saturday in deliberations behind closed doors.

London Picks Dewey

LONDON (AP)—The London press devoted columns of its tightly-rattled space today to the United States Presidential election. Of six London morning papers to predict the outcome, all picked Governor Thomas E. Dewey, Republican candidate.

No Dollars From Britain For Imports Of Canadian Apples

LONDON (Reuter)—Food Minister John Strachey said today Britain cannot afford to spend dollars on imports of Canadian apples.

He was asked in the House of Commons if Britain could import apples from the Dominion as the 1948 Canadian crop was almost a record.

"Unfortunately we have to use our very limited supply of dollars for more essential imports, such as Canadian bacon, butter, cheese and eggs," Strachey replied.

Ernest Marples, Conservative, Wallasey, said the apples in British Columbia which Britain needed might rot.

"Is that good planning?" he asked. Strachey asked how Britain could buy this food and whether Marples could provide the dollars.

Last Crack Tonight For 11 U.S. Presidency Candidates

NEW YORK (CP)—Eleven men who would be President of the United States will say their final pieces tonight and tomorrow the voters will make their choice of the man who will run the United States' business for the next four years.

Only two of the 11 nominated candidates are really contenders, President Truman and Governor Thomas E. Dewey of New York.

Today's campaigning is a sort of anti-climax to the weeks of terrific campaigning up and down and all across the country. The leading contenders went on the

radio networks to urge the approximately 90,000,000 eligible voters to go to the polls and vote for somebody.

However, it is generally considered unlikely that more than about 51,000,000 will exercise their right to vote.

President Truman is at his home in Independence, Mo., where he will vote and await returns. He told his hometown people, as he has told millions from coast to coast, that he is confident his Democratic Party will retain its 16-year-old grasp of power on the White House.

Dewey in New York To Hear Returns

Dewey is here today with his family to vote and to wait the results in a Manhattan Hotel suite. Dewey has remained calm and confident throughout his strenuous campaign.

The 11 candidates for the Presidency are: President Harry S. Truman of Missouri, Democrat. Governor Thomas E. Dewey of New York, Republican. Henry Wallace of Washington, Progressive.

of South Carolina, States' Rights, Norman Thomas of New York, Socialist. Edward A. Telford of Pennsylvania, Socialist Labor.

Claude A. Watson of California, Prohibition. John G. Scott of New York, Greenback. Gerald L. K. Smith of Michigan, Christian Nationalist. E. J. Campbell of New York, Labor.

Colorful Fireworks For Halloween At Sooke Bonfire

SOOKE—A display of colorful fireworks highlighted the Sooke Halloween entertainment for children of the district. More than 300 children and adults, many in fancy costume, gathered at a field at the corner of Sooke and Old Otter Point Roads for a mammoth bonfire, staged, under direction of Constable Allan Quinn of the Provincial Police. George Osborne in masquerade costume led serpentine parades

down the road and Gordon Eve, guessed the identity of Mr. Osborne. Sooke merchants and other interested citizens put on the fireworks display, following which candy was distributed.

Maj.-Gen. Worthington On Way To Ottawa

VANCOUVER—Traveling to Ottawa today to commence his new duties as co-ordinator of Civil Defence Planning is Maj.-Gen. F. F. Worthington of Vancouver. He boarded the Canadian National Railway's Continental Limited here Sunday night for his journey to the capital, where he is scheduled to arrive Thursday morning. Appointment of Gen. Worthington to the important post was recently announced by Defence Minister Clegg. The veteran military leader will supervise creation of defences within the civilian population, to be placed in operation in the event of war.

Appeals To Privy Council Should End, Quebec Lawyers Told

HULL, Que. (CP)—Chief Justice Rinfret of the Supreme Court of Canada says appeals to the Privy Council in London should be abolished.

In a speech before the Quebec Rural Bar Association Saturday, he said he believed Canada was "big enough" to hope for autonomy in the matter of appeals to the Privy Council.

The Supreme Court of Canada should be Canada's final court of appeal.

"The Privy Council seems to be lacking comprehension of the Canadian legal administration with the passing years," Chief Justice Rinfret said. "In fact, the Supreme Court has often ruled in favor of the provinces, whereas the Privy Council has reversed these decisions because of lack of comprehension."

He urged Quebec members of the bar to "come before the Supreme Court and have no fears of pleading before us." Each speaking lawyer, he felt, had special aptitudes for practicing law. The Latin mentality, the logic and the methods of Quebec lawyers made them superior to others in the province as well as to those in the rest of Canada.

HON. THIBAUDEAU RINFRET
Chief Justice of Canada

"Come often before the Supreme Court of Canada," he said. "Your cases will receive the same attention as those of your English-speaking confreres. In fact, they will receive more attention since my English-speaking colleagues on the bench are thoroughly familiar with the French language."

Garbo Prepares For George Sand Role In Movie

By BO THOMAS

HOLLYWOOD (AP)—Here's the latest chapter in the screen return of Greta Garbo. She has settled on the story and the shooting location.

Robert Cummings, whose partner, Eugene Frenke, engineered the Garbo deal, reported the silent Swede will definitely do the George Sand biography. It's her own baby—she and a writer have worked on a script for six years. The picture will be filmed in Italy.

Jimmy Stewart will have professional backing on the diamond in "The Stratton Story." Among the ballplayers in the picture are Jimmy Dykes, Bill Dickey, Gene Bearden, Max West, Red Berger and Mervyn Shea. The Hollywood star's Coast League team will portray the Chicago White Sox in the film, causing local fans to wonder if the hapless Hollywood team will be better at acting.

CUGAT FINDS GOLD

Xavier Cugat has discovered gold in Texas. His band will be paid \$10,000 plus expenses to fly to Galveston Nov. 8 and play for a private party at the Brooks Hollow Country Club.

Toronto-born Walter Huston says he doesn't want to face the rigors of another stage play. Now in "The Great Sinner," he'd like to limit himself to one picture a year with his son John.

REPORT TO MOTHERS

Why 88% of Mothers prefer Heinz Baby Foods
37% choose them for QUALITY
34% for NOURISHMENT
29% for FLAVOUR
100%

Over three hundred mothers, questioned in a recent survey, voted almost 9 to 1 in favour of Heinz Baby Foods. They gave their reasons. Many chose Heinz because of a doctor's recommendation . . . sure proof of safeguarded quality. Others chose Heinz Baby Foods for their newest babies because their older children had thrived on them. They knew from experience how nourishing these foods are. Still others like the flavour. They had taste-tested Heinz Baby Foods themselves.

But whatever the reason, mothers are wise in their preference. Heinz Baby Foods are all that baby foods should be. All 25 varieties of Heinz Baby Foods—soups, meat products, vegetables, puddings and desserts—are carefully selected from the choicest, freshest foods. Then they are scientifically cooked to retain minerals and vitamins in high degree. When you look for baby foods, look for the Heinz label.

Symphony's Dress Rehearsal Thrills Students Of Victoria

By AUDREY S.T.D. JOHNSON

The dress rehearsal of a symphony orchestra is a tensely fascinating affair. The close polishing of phrase, the final detailed criticism from the conductor, the tightening and tuning of the whole great composite instrument.

More than 600 students from Greater Victoria High Schools, Victoria College and Normal School, who attended the Victoria Symphony Orchestra's rehearsal conducted by Hans Gruber Sunday afternoon in the Royal Theatre, expressed their keen and quiet attention, their interest in the proceedings. The large attendance, and the obvious enjoyment of the girls and boys will encourage the Symphony Society, and the women's committee which is handling the educational projects with the co-operation of the school board and J. F. K. English, municipal school inspector, to further arrangements of the sort. It was also evident that the young people know their music. A ripple of excitement greeted the opening bars of Liszt's "Les Preludes" and the Mozart string serenade, "Eine Kleine Nachtmusik."

The appearance of Ernest Adams, who had just arrived in the city from Calgary, where he had been filling concert engagements.

Notre Dame Scores 24th Straight Win; Michigan Fortunate

NEW YORK (AP)—North Carolina, Michigan and Notre Dame—the big three of 1948 college football—subdued stubborn rivals Saturday and added to their gridiron reputations.

Charlie Justice, North Carolina's great back, manufactured two touchdowns as his mates sidetracked an aroused Tennessee outfit, 14 to 7, in the game that got most attention. Emil Sitko was the hero as Notre Dame pulverized a willing Navy crew, 41 to 7, for the South Bend Irish team's 24th game without defeat. It was Navy's 11th straight defeat.

But it was lady luck to whom Illinois fans point as the culprit in Illinois' 28 to 20 loss to Michigan. Duke Eddleman, the Olympic athlete in the losers' line-up, dashed 94 yards for an apparent touchdown only to have it called back for rules violation. Minutes later a Michigan pass was ruled complete on the Illinois one-foot line for interference.

Thus the big three came through. But so did nearly all their brethren, in a day almost devoid of upsets.

Georgia Tech spotted an alert Duke team an early touchdown and then turned loose a bevy of speedy backs who built up a 19 to 7 victory. Georgia belted Alabama 35 to 0. Army permitted Virginia Tech to score but spilled the southerners 49 to 7. California, its sights set on the Rose Bowl, won a cherished 13 to 7 victory over Southern California.

ROSE BOWL CHOICE

Northwestern became the mid-west's No. 1 Rose Bowl candidate with a rugged 21 to 7 verdict over Ohio State. Johnny Miller, quick-footed substitute back, scored twice for the winners.

Minnesota came from behind to defeat Indiana 30 to 7, and Purdue got its decisive touchdown in the fourth to beat Marquette 14 to 9.

Quebec Bus Crashes
Gas Tanks Explode

LAMINGTON, Que. (CP)—Four persons were killed and 13 others injured early Sunday when a Quebec Central Railway autobus, went out of control, struck two gasoline tanks at a service station and burst into flames near this Eastern Townships village 25 miles southeast of Thetford Mines.

The dead: G. Laverne, 22, of Sherbrooke, driver of the bus; H. Baron, 25, of Megantic; Raymond Touloué, 24, of Beauceville; and Renaud Bernier, 23, of St. Sébastien.

Laverne died in a hospital at Sherbrooke; Baron died in a hospital at Megantic, and the other two were burned to death.

Bodies of the four victims were charred almost beyond recognition and it took considerable time to identify them. An inquest started today was adjourned until next Thursday.

Although cause of the crash is still unknown, it has been definitely established that it was not caused by faulty brakes, Q.C.R. officials said.

Six Hurt, One Seriously, In Week-End Accidents;
Quartette Lucky In Spectacular Plunge Off Road

Six persons were injured, one seriously, and a dozen cars were damaged in accidents during the week-end in Saanich, Victoria and in Sidney Provincial Police area, a survey showed today.

Four persons, two sailors and two girls, had a miraculous escape from serious injury or death at 5 last night when the car they were in careened off the John Dean Park Road near Sidney and plunged over a steep, rocky incline before coming to a stop 150 feet below. (See story, page 1.)

Carol Lynas, 143 Bushby Street, was taken to Jubilee Hospital by Constables David Shepherd and Leslie Ledson of Saanich Police, suffering from a long, wide gash to the left leg and ankle.

IN HIRED CAR

Police said the car was driven by John Burdo, H.M.C.S. Naden. Other passengers were James Brunne, H.M.C.S. Naden, and Mona Law, 1215 Basil Avenue. Constable David Allen of the Sidney B.C. Police detachment, said that Brunne also suffered a damaged shoulder.

The car, a hired U-drive, was coming down the John Dean Park Road hill and went off the road in the only spot clear of trees, said Constable Allen. The park road joins East Saanich Road.

The car, badly damaged, was not hoisted out by wreckers until this morning. Police said that from their preliminary survey, indications are that the car turned, completely over at least once in the plunge.

SUNDAY FOG CRASH

No one was hurt in the three-car collision at Topaz and Quadra Streets during the heavy fog Sunday night at 9:40.

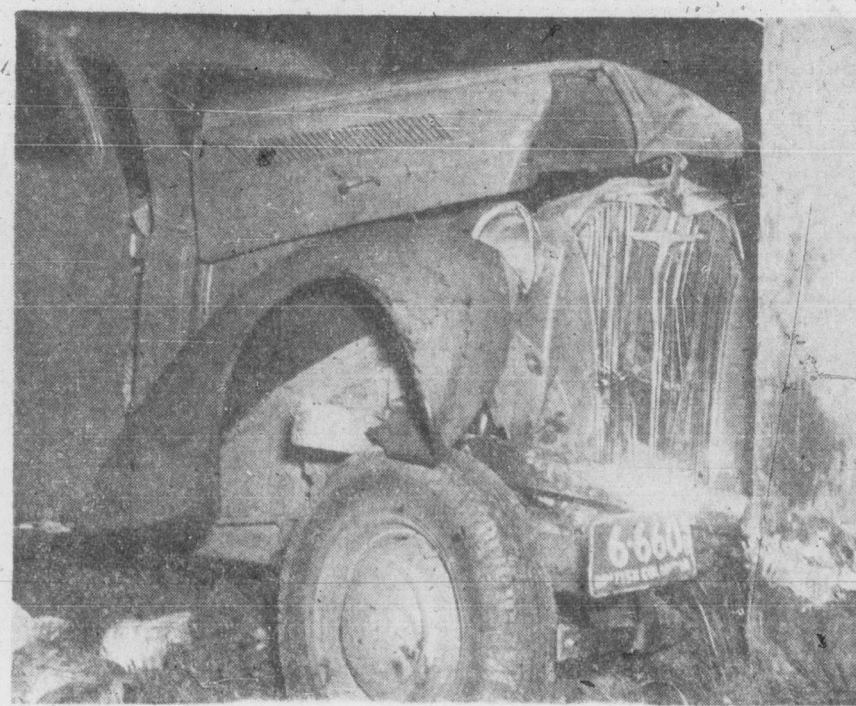

City policemen said a car being driven south on Quadra by F. T. Harwood, 4550 East Saanich Road, collided with an auto parked at the curb owned by Harry Eke, 1144 Haro Street, Vancouver. The Vancouver car was pushed into a Saskatchewan-licensed car. Damage to the local car was estimated at \$250.

SEVERELY INJURED

George F. Hutchison, Box 3291 Happy Valley Road, is in Jubilee Hospital today recovering from severe wounds suffered around 3 Sunday morning when the truck he was driving out of town on Gorge Road crashed into a telephone pole west of Harriet Road.

Saanich policemen Constables Walter Mycock and Robert Coleman attended the scene and report about \$1,000 worth of damage to the 1937-model car, the engine of which was pushed back so far by the heavy impact that the steering wheel was jutting out of the left side window.

The doctor attending Hutchison said he suffered a frontal sinus

Truck front smashed in by heavy impact.

fracture through a bad cut over the left eye, an ugly gash on the side of the chin, a lacerated left knee and a swollen ankle.

Saanich policemen said there were no passengers and that the truck failed to negotiate the turn on the downhill grade. It collided with the pole about 150 feet from Harriet Road.

Heavy damage was done to two cars and a girl was injured in a collision at Haultain Street and Avebury Avenue, Saturday night.

Abrasions to the forehead and back injuries were suffered by Yvonne Aiers, 2625 Avebury or Mills Road, Sidney, when the car in which she was a passenger,

driven by John A. C. Cousland, 17, Dunsmuir Street, met one driven by William D. Law, 1335 Arm Street, in a crash at the intersection.

Miss Aiers was taken to Jubilee Hospital. City policemen said the Cousland car was spun around by the impact, turned over and finally finished up on its wheels again. Total damage to the two cars was figured at about \$850.

PEDESTRIAN KNOCKED DOWN

The car which knocked down J. N. Brown, Courtenay, Saturday night at Courtney and Douglas Streets, did not stop. He

suffered knee abrasions, was taken to D.V.A. Hospital by city police. Some passengers on a bus saw the man hit and the car continue on from Douglas up Cormorant.

Mrs. Marcell Eaglesham, 35 Toronto Street, was treated at Jubilee Hospital for shock when a car driven by John R. Eaglesham, was in collision with one driven by Peary Singh, 2804 Irma Street, Saturday night at Government and Figgard. Cars driven by Rodney, Phillip Justice, 946 Falmouth Road, and James H. Laming, 228 Memorial Crescent, collided at Blanshard and Yates Street, the same night, police said.

Weather

Weather synopsis and official forecast issued at 9 a.m. Monday November 1, by the Dominion Public Weather Office at Vancouver, valid until midnight Tuesday.

Synopsis — An active storm forming over the eastern Pacific this morning is expected to bring gale force winds and rain to the northern coastal sections by this evening. Elsewhere over the province skies are mostly clear with this condition expected to persist again tomorrow. Frost is expected over southern coastal regions and interior sections again tonight.

Vancouver and vicinity, Lower Fraser Valley—Clear today and tomorrow. Wind light. Patches fog forming in low areas overnight. Cold with ground frost overnight. Low tonight and high tomorrow at Nanaimo 34-51.

Victoria and vicinity—Variable cloudiness this morning clearing by noon. Clear tomorrow. Wind light. Cold with ground frost in low areas tonight. Low tonight and high tomorrow at Victoria 37-50.

West coast Vancouver Island—Clear today and tomorrow morning becoming cloudy in afternoon and overcast in evening. Wind light becoming southeasterly 20 tomorrow. Little change in temperature. Low tonight and high tomorrow at Esquimalt and high tomorrow at Esquimalt 37-50.

Psychoanalyst Dies

NEW YORK (AP)—Dr. Samuel Aaron Tannenbaum, 74, one of the first psychoanalysts in the United States and a leading authority on Shakespeare, died Saturday. Born in Hungary, he was a founder of the magazine, "Psyche and Eros."

British Empire
To Be Liquidated,
Cripps States

BRISTOL, Eng. (CP)—Sir Stafford Cripps, Chancellor of the Exchequer, said Sunday he had not changed his opinion expressed in 1935 that it is "essential" to socialism that the British Empire be liquidated.

In reply to a question after an address on Britain's part in the Economic Recovery Program, Sir Stafford said the liquidation of the Empire "is what we have done in the case of India, Pakistan, Burma and Ceylon."

Discussing the general economic outlook, he said United States aid has "about" enabled Britain to balance her overseas balance of payments.

He said the government calculated that by the end of the Marshall aid in 1951 Britain will be able to stand on her own feet without any special assistance.

Fog Over Victoria,
Frost Nips Country

Victoria drivers again are having to accustom themselves to driving through fog.

Both Friday and Sunday evenings many low-lying parts of Greater Victoria were blanketed and motorists were given to slow down to speeds of around five miles per hour.

The streetcar tracks, which were removed this summer following introduction of an all-bus transportation system here, were sorely missed by many drivers, who in previous years, used them to keep on the right side of the road in fog.

The countryside was nipped by frost during the night to create a Christmasy look this morning as it whitened trees and rooftops but it was believed not sharp enough to do damage.

New Traffic Light
At Johnson Street

Purchase of a spare main traffic signal with corner lights and control box and erection of a three-colored signal at the northeast corner of Douglas and Johnson Streets, was recommended by the electric light committee to the public works department and police commission, Ald. F. G. Mulliner, chairman, said following a committee meeting today.

The light at Douglas and Johnson will overcome the present difficulty of obstruction by the B.C.E.R. pole, Ald. Mulliner said.

Firing Practice

The 66 Light Anti-Aircraft Regt., R.C.A., Nanaimo, will carry out a light anti-aircraft full charge firing practice from Parksville Nov. 7, between 12 noon and 4 in the afternoon, military authorities reported here today.

The danger area will be the water area for 13,000 yards in an arc between Belenias Island on the right and Sisters Island on the left.

Tiny Atom Smasher

PITTSBURGH (AP)—A tiny atom-smasher, no larger than a flower pot, has been developed by Westinghouse Electric Corporation scientists. The new device called a "neutron counter," is used to detect and count neutrons, vital building blocks in the structure of all matter.

POLITICAL EMOTION

WHEN RT. HON. LOUIS ST. LAURENT, the recently-elected leader of the National Liberal Party, implied in his radio address last week that he did not attach any special significance to the dropping of the word "British" from the Commonwealth's name, long-time students of the Canadian political scene felt instinctively that he would "catch it" from the Tories. He was nevertheless voicing an opinion with which all but the colonial-minded will agree.

But the delegates to the meeting of the provincial association of the National Progressive Conservative Party in Vancouver last Saturday seized on the point with avidity. We are told in the Canadian Press report of their deliberations that this issue became their "heaviest debate." Major-General G. R. Pearkes, V.C., the retiring president, for example, let go his "heavy" humor when he told his fellow partisans that one of these mornings they might wake up in the "Province of Columbia!" That apparently did it. For so incensed did the participants in the discussion seem to be that they categorically demanded the retention of the word "British" and soundly censured Mr. St. Laurent for presuming to disown any great apprehension as the result of a decision unanimously reached at the London meeting of Commonwealth Prime Ministers last month. It remained for Dr. Frank E. Dorechester (strong in muscle as well as in mind) to counsel his Tory friends to "allow some give-and-take" in Commonwealth nomenclature—noting, of course, the "national aspirations" of some of the states in the Empire, family, which have recently acquired new status.

Great events often turn on relatively small considerations. It is obviously highly desirable, therefore, that India, Pakistan, Ceylon and the Union of South Africa—as well as Elre—remain under the Commonwealth umbrella. And if the removal of the word "British" will help to consolidate and strengthen the whole "family" structure, even the British Columbia section of the National Progressive Conservative Party should soon recover from its emotional outburst—an exhibition strangely in keeping with its traditional flag-waving exercises. But tens of thousands of Canadians have grown impatient with an ancient Tory shibboleth inherent in the party's threadbare claim to be the sole custodian of loyalty to the Crown.

—AND SENSIBLE CONCLUSION

ON THE SUBJECT OF REMOVING THE word "British," however, the Toronto Globe and Mail—the bible of the Tory Party and journalistic mentor of the morning paper which, incidentally, frothed at the editorial mouth when it noted Mr. St. Laurent's observation—is not the least concerned about the decision of the Prime Ministers in London. Our eastern contemporary naturally finds the deletion a little saddening. It is even possible that some who spent many years in the great metropolis on the Thames before coming to this country feel a little twinge—nothing like as acutely, of course, as those Empire defenders who have never been east of Winnipeg. But the Globe and Mail, with whom we often disagree, puts the matter sensibly when it says in part:

The purpose of abandoning the word "British" in the official designation of the society is so that the peoples who have learned our ways can meet us and deal with us on a wide area of common ground and will not be embarrassed by an artificial classification that does not apply to them. Ancient symbols and classifications are of the highest value in preserving unity where they speak the same message to all who behold them. They become an embarrassment to unity when they say one thing to some and another thing to others.

The Conference of Commonwealth Prime Ministers in London has ordered no constitutional changes nor taken anything of value away from the group. The British Association is still as close as ever for those who belong in the British tradition. The Crown, which symbolizes the continuity of the British evolutionary process and under which we have flourished mightily, still stands as an object of reverence to those who have learned to revere it. All that has happened is that a gesture has been made toward those with whom we have much in common but not all. It is a courteous, brotherly gesture in the tradition of tolerance and conciliation that is more British than the word itself. Hence, this great British civilization will go from strength to strength gathering support as it goes.

To add anything to the point dealt with above so admirably by the Toronto newspaper would be superfluous. But this is for the record: The party which demands the retention of the old name for the Commonwealth and lambastes Mr. St. Laurent is the same party which, in the general election campaign of 1940, preached the gospel of \$1.50 wheat for Britain—as against about 80 cents—to get the western farmers' vote. And the leader of the provincial Conservative Party at that time toured the west with Dr. Manion. It was nothing to them that Hitler could throw at her. Ah, no, our "pocket imperialists" were running true to the precepts which Mr. Churchill tacked on the Tories of Great Britain when he joined the Liberal Party in 1903. We know what happened to the opposition in Canada eight years ago last spring—again in 1945.

VITAL TO US

THE WAR NEWS FROM CHINA indicates that the Nationalist Government has suffered a major loss in the fall of Mukden to Communist forces, and the capture or dispersal of as many as 150,000 of Generalissimo Chiang Kai-shek's troops. Apart from the actual military reversal, which gives the Communists almost complete control of Manchuria, there is a serious disclosure in the additional information that "the Nationalist Government has been plagued with large-scale desertions of troops in recent months." It is the opinion of newsmen on the scene, moreover, that the Chinese President may find himself unable to rally the defenders of Peiping, Tientsin, Hankow and the Nanking-Shanghai areas to an adequate defence against the opposing army. Chiang's regime has done little to build support among the mass of the people, who feel they have not much to lose whatever happens. The liberal provisions of the constitution have not yet been implemented.

The significance of a possible Communist victory in China, taken in conjunction with Marxist advances in other Oriental states bordering on the Pacific, has not been overlooked by the West. United States policy, which up to now has resulted in the provision of help to the Chinese government on a comparatively small scale, may now have to be adjusted to the changing realities. To increase military aid, and develop the Chinese internal struggle into a full-scale war, might easily result in the conflict escaping the bounds which heretofore have contained it. To continue inadequate aid, however, or to withdraw support altogether from a regime which has proved disappointing in more than one regard, poses the problem of a Far East imminently threatened by Communist dominance.

The Chinese question, while of major importance, is still only part of an ideological conflict that is world-wide in scope. Greece, Korea, Burma and other trouble spots exhibit the struggle in the active military phase. Italy, France, Finland and such countries are in the throes of a corresponding political struggle of Communist infiltration. Britain, Canada, the United States and most of the other non-Communist nations of the globe are on the fringe of the campaign, subjected to internal espionage and the attentions of labor agitators, but still sufficiently strong to view such attempts as minor and localized threats to the peace. China, as the major battleground in the first category, is thus a key factor in world security. Her future is as important—and possibly more important—to the average man in the West as it is to the common dweller in the Yangtze Valley. We are vitally concerned in the destiny of these 400,000,000 people.

IS IT THE SAME MAN?

WERE IT NOT FOR THE FACT THAT similar anomalies might be found closer to home, the position of a United States president during election campaigns would be a source of wonder and bewilderment to the people of this country. Probably nowhere in the world is the highest office in the land held in greater reverence than in the United States. The presidency is the goal to which parents point as the zenith of achievement for their young hopefuls. It commands universal respect, the more so because it is an office to which all young male citizens of native birth can aspire. The man who resides in the White House need admit no superior on earth.

But with the advent of an election the opposition more often than not seeks to strip the president not only of his office, but of his dignity and his ability to fill his high post. Like television, the spotlight of rival interests turns him a ghastly hue. He walks through a hall of mirrors fiendishly distorted, like those of a circus sideshow, to give him deformities he does not possess. His deficiencies are magnified under a powerful microscope. His intelligence is viewed from the wrong end of a telescope.

So it seems with President Truman, the energetic and faithful public servant who was given almost universal acclaim as chairman of an important Senate committee. As such he was the epitome of commonsense and sound judgment. Now he is referred to as the man who "does not catch on very quickly." That is one of the more polite remarks of those who wish to see another chief executive. It is mild by comparison to some. He is painted, by his opponents, with the brush of mediocrity—from his planful planning to his statecraft. He is made the butt of jibe and jeer.

How, we wonder, can foreigners hope to understand the fundamental unity of the United States, its respect for its democratically-elected leaders, or its admiration of the man who is given the highest post in the land, when they read or hear the abuse that is piled upon him during the campaign? Yet it is all part of the game of politics. And for the president's sake, we find some solace in the fact that man has not been granted Robbie Burns' plea for the power to see himself as others see him.

HONOR AMONG THIEVES

USAGE FREQUENTLY GIVES TO figures of speech an aura which, under no circumstances, can be justified by fact. Take for instance the case of Marc Provost, 47, who, while confined in Oakalla prison farm, was entrusted with the custody of prisoners' effects. When he was released it was discovered he had stolen a watch, diamond ring and dinner ring from a fellow prisoner. What price honor among thieves?

Yet Grandpa can remember when the country schoolteacher got nothing but \$20 a month and her board and a husband.

Cars now float along so smoothly, you scarcely notice the change when you stop riding and begin using your wings.

Election Sidelights

CANADIAN PRESS reports indicate that more than 50,000,000 persons are expected to vote tomorrow in the United States presidential election. Some of them will ballot long before dawn; some will vote long after darkness comes.

There is rivalry among many small communities to see which can first complete its voting. In some villages the custom is to vote soon after midnight, rounding up all eligible voters to get the balloting completed by daybreak. In a few states, including New York, the polls will be open from early morning until 9 p.m. local time.

WHEN FRANKLIN ROOSEVELT was re-elected President of the United States for a fourth term in 1944 he ran up an electoral-college vote of 432 against 99 for Governor Thomas E. Dewey of New York.

Roosevelt received a popular vote of 25,602,505 compared with 22,006,278 for his Republican opponent. The 1944 popular vote total, including minor parties, was 48,025,684.

VOTING MACHINES will be used by about 30 of every 100 voters in tomorrow's United States presidential election, reports William J. Conway, Canadian Press writer, from Chicago. Forty-five thousand of the devices will be in operation in 4,000 cities, towns and villages in 23 states.

The information comes from officials of the two manufacturing firms in that field, Russell Griffen, vice-president of the Automatic Voting Machine Company, Jamestown, N.Y., and Bernard M. Weiss, president of the Shoup Voting Machine Company, Philadelphia.

GRIFFEN ESTIMATES 16,000,000 votes will be registered on machines if the total vote is 52,000,000.

The machine first was put to work in 1898 in Rochester, N.Y. Mechanical voting then was introduced in a few other cities.

The idea of using such equipment instead of a pencil spread gradually from coast to coast. Now machines are in all polling places in New York and Rhode Island. They are used in half or more of the precincts in Connecticut, Pennsylvania, Michigan, Indiana, Iowa, Wisconsin, Florida and Washington, and to a lesser extent in 13 other states.

THE VOTER CLOSES the curtain, looks at the ballot on the machine, pulls down levers next to the names of the candidates he likes. He opens the curtains and his votes are recorded automatically. It takes only a minute or so.

The machines also add up the votes for each candidate. The totals are there for polls officials to read off when the voting ends. Thus counting votes becomes a matter of minutes instead of hours. The result is a much faster flow of returns to tabulating centres, newspapers and the public.

FROM NEW YORK comes word that the cost of campaigning in the United States has skyrocketed since the republic's infancy, like that of every-day living. Thomas Jefferson is said to have spent only \$50 on his campaign for the presidency in 1800. In 1860 the Republicans spent an estimated \$100,000 to elect Abraham Lincoln. Political experts reckon this year's campaign will cost the political parties between \$20,000,000 and \$25,000,000.

CLYDE BLACKBURN, Canadian Press correspondent reports from Washington that Republicans and Democrats each hold 24 state governorships, but the balance will be upset after tomorrow's elections when 33 states have elected their new executives. One of the contests has been decided. Republican Frederick G. Payne won the Maine election, held Sept. 13, as usual almost two months before the voting elsewhere in the United States.

One went by default to the Democrats, when the Republicans in Georgia didn't bother to nominate a candidate against Herman G. Talmadge, "white supremacy" candidate, son of the late Governor Eugene Talmadge, who was noted for his torrid oratory—and his red suspenders.

CLOSEST CONTESTS, according to advance indications, will be in Ohio, Indiana, Illinois and Michigan. The present governors all are Republicans. The Democrats claim certain victory. The new Progressive party of Henry Wallace has candidates in 12 states, including two women, running in New Hampshire and North Carolina. A former Democratic Governor high in the party's councils, Frank J. Lausche apparently is running a close race with the Republican incumbent, Thomas J. Herbert, in Ohio.

AN EVEN CLOSER RACE is reported in Indiana, where a former Democratic governor, Henry F. Schricker, is trying to beat Governor Hobart Creighton, Republican poultry tycoon who flies his own plane to campaign rallies.

Governor Dwight H. Green, handsome Republican, National Convention "keynote" and a strong man of the party, is being challenged on his try for a third term in Illinois by Adlai E. Stevenson, Chicago lawyer, liberal Democrat and New Dealer who was one of the architects of the United Nations Charter.

THERE IS CONSIDERABLE interest in the Connecticut campaign, in which Chester Bowles, wartime head of the Office of Price Administration, is Democratic candidate against Republican Governor James C. Shannon.

President Truman will be personally interested in the Washington state race. There his old and close friend, Governor Mon C. Wallgren, is trying to hold his office against the challenge of a former Republican Governor, Arthur B. Langille.

What Happened To His Chips?

A Better General Picture

From The Bank of Montreal Business Review

IN a number of respects Canadian foreign trade is being conducted under markedly different conditions this year from last.

While the agreements concluded at Geneva for reduction of tariffs between Canada and seventeen other countries became operative in January, their effects have been largely overshadowed by other developments. Emergency exchange measures adopted last November have significantly influenced the nature of Canada's trade with the United States, while restrictions imposed by other nations short of hard currencies have in turn affected the pattern of the Dominion's overseas commerce.

DOLLAR IMPROVEMENT

In contrast to 1947, Canadian governmental credits have in recent months been playing a relatively unimportant part in the financing of exports and there has been an improvement in the Dominion's U.S. dollar position. Drawings of Canadian dollars under the loan of \$1.250 millions made to the United Kingdom in early 1946 were, by agreement, limited in the latter part of 1947, further restricted mid-April with a balance of \$235 millions still unexpended. Canadian exports credits to other countries are by now virtually used up. Within the past six months, however, "off-shore" purchases in Canada under the U.S. European Recovery Program have begun to be felt as an off-

set to the more limiting influences inherent in the restriction or exhaustion of Canadian credits to overseas countries.

In the first eight months of 1948, both total exports and total imports increased moderately in dollar amount and the positive trade balance widened considerably. But in transactions with the United States and the United Kingdom, which currently account for 57 per cent and 18 per cent respectively of total Canadian trade with all countries, changes have been larger and more significant than the overall figures would indicate.

Canada's current trading position with the United States underlines the extent to which vigorous demand in that country has, thus far, more than counterbalanced the contraction of our markets elsewhere.

INCREASE IN EXPORTS

The substantial improvement in the Dominion's adverse balance of trade with the United States has been achieved mainly by a 35 per cent increase in exports to that country, and has been dependent to a much lesser extent on reduction of imports which are down by only 10 per cent in the eight months' comparison. Principal items contributing to the higher export values have been, in order of importance, lumber, newsprint, wood pulp and pulpwood, base metals, agricultural implements and cattle. On the import side,

restrictions have sharply curtailed receipts of fibres and textiles, fresh fruits and vegetables, automobiles, household electrical appliances and luxury articles. On the other hand, imports of an essential nature such as coal, petroleum and heavy machinery have been in significantly higher figures, reflecting both price factors and the effects of high levels of industrial activity and new capital expansion in this country.

The outstanding feature of Canada's trade with the United Kingdom in the period under review has been a 65 per cent increase, by value, in the movement of British goods to this country. Chief contributors to this improvement have been raw wool and woolen and cotton textiles with smaller increases being shown in receipts of automobiles, engineering equipment, electrical appliances and china and glass.

While showing little change in dollar aggregate, Canadian exports to Britain have altered significantly in their composition, higher export figures for meats and base metals having offset reduced shipments of wheat, tobacco, oats, apples and potatoes.

TRADE MISSIONS

A number of important trade missions have recently visited Canada to promote sale of British goods. On the other side of the account, however, the United Kingdom's imports of Canadian foodstuffs are expected to be reduced when existing contracts come up for revision next month.

and counter-charges were not followed up to a point where they could have damaged American unity at a time when unity is needed. And it is to the credit of both candidates that they stopped where and when they did. Neither of them, to be sure, was standing on ground that supported his claims very solidly. But public temper being what it is in an election year, they might have kept their footing for quite a while.

What may have been at the root of this potentially dangerous excursion into overseas politics was simply a lack of something to say. That state of affairs, in turn, might have resulted from too long a campaign and too many speeches for both men. They conceivably ran out of nice fresh issues and, looking for something dramatic to keep interest alive, ventured into territory that was politically out of bounds.

SHORTER SEASON

Since we shall probably have to be presenting a united front to the world for years to come, the danger of politically-divided foreign policy may reappear in future presidential years. All of which seems another good argument why the major parties, before 1952, should agree to shorten the exhausting, expensive campaigning season. It is doubtful that these long tours change enough votes to justify the effort expended and the disunity that they can create.

By RUSSELL BRINES
(For Dewitt Mackenzie)

Associated Press News Analyst
TOKYO (AP)—Japan has not yet reached stability, but it appears almost rock-ribbed by comparison with China.

This is the conclusion I drew from a month's vacation on the continent. The din of clamorous China was still in my ears on returning to the outward calm of this occupied country.

The differences between the two countries are even greater now than they were a year ago, when I made another swing across China.

CONTINUOUS WAR
In Japan the ideological war is continuous and so are the battles for political power. But under the occupation they are being fought in the bloodless arenas of argument and political manoeuvring.

Even in Shanghai and Hongkong, far from China's civil war fronts, it is impossible to escape the violence of China's struggle.

The fall of Tsinan, capital of Shantung province, increased the tension and apprehension in south China.

The Japanese at times appear restless under the occupation. But none except the Communists show any marked anti-foreign feelings.

In Shanghai the hostility toward foreigners seems to be part of the atmosphere. American businessmen in China are extremely pessimistic. They say Chinese policies are crippling them, even though the Chinese themselves admit they need both foreign business and foreign help.

The Japanese have just been shocked by a bribery scandal amounting to \$10,000,000. This is considerable, but it appears minute alongside the corruption of many Chinese officials.

Japanese industrial production is increasing, despite many complications. War and unrest have restricted China's industrial output, which always has been smaller than Japan's.

FAIRLY STABLE
As for inflation, prices of essentials remains fairly stable in Japan. Everyone knows what happened in China before the government took steps to check run-away inflation.

Japan's confident people are slowly rebuilding their bombed metropolitan centres.

But the continuing deterioration of Shanghai's towering buildings—untouched by war—and the increased restlessness are saddening to one who knew that city before the war.

FEAR OF FEAR

London (Ont.) Free Press
No matter what befalls in life, surrender to fear will always weaken the defence of the advance. "All that we have to fear is fear itself," said Franklin Delano Roosevelt in his first inaugural in 1933, and that is ever our case. It is not that we shall not know fear; at times we all do. But we must not give it room in our hearts or place in our spirit.

CHALLENGE

Windsor Star
This housing problem is perhaps the greatest challenge to private enterprise in Canada. If it does not meet the challenge by provision of sufficient homes at prices or rents people can afford, it is inviting increased governmental intervention in the building industry. People cannot be blamed for asking governments to build them houses, if they cannot get houses any other way.

PITCHING IT STRONG

The Times of London
Ambassadors, in the bad old days when they went abroad to lie for their countries, were expected to lie like gentlemen. Their language, whatever evil intentions it might conceal, was as suavely tailored as their persons, and the craft of invective was left to dramatic and literary critics and other Bohemian types. Now, when diplomacy is liable to open up into a slanging match, critics are, by comparison with their predecessors, Little Lord Fauntleroy. This may be because they have suffered a change of heart and because taste in aesthetic, if not in foreign, affairs has grown more refined, or it may have something to do with the unpredictable penalties, now under review, which make hard the way of transgressors against the law of libel.

Victoria College
Holds Field Day To
Make Playing Field

Roger Ross, president of men's athletics at Victoria College, announces a special field day to take place Nov. 5. On this day all lectures will be canceled, and students will flock to the site of the new playing field at the corner of Lansdowne and Shelbourne streets. Students will bring their own rakes and shovels to assist in the work.

Following the work party, the Students Council will hold a hard-times dance, which is being convened under the two first-year council representatives, Margaret Mawer and Dale Kilshaw. The dance will "wind up" one of the biggest days at Victoria College this term.

The Students' Christian Movement had as its guest speaker last week Canon Michael Coleman, whose subject was "Does Christianity Conflict With Modern Knowledge?" During the lecture, students put various questions for discussion. Dorothy Fox, secretary of the organization, expressed the hope that the college would be able to have guest speakers and student discussions at least once every two weeks.

Constable Arthur Deeks of the Victoria police force, will be guest speaker at the second meeting of the Literary Arts Society. Dr. Austin Wells, sponsor of the society, stated that the main objective of the members is to further an interest in social problems as well as to devote themselves to the discussion of plays.

3 Victorians Among
17 Junior Naval
Officers Returning

Seventeen junior Canadian naval officers, including three Victorians, who have been serving with the Royal Navy are en route home for appointment to Canadian ships, according to an announcement by Naval Headquarters in Ottawa.

The three Victorians are: Sub. Lieut. N. S. Jackson, who will serve in H.M.C.S. Ontario; Sub. Lieut. Richard Carle, also to serve in Ontario; and Sub. Lieut. D. F. Slocombe, who will serve on H.M.C.S. Cayuga.

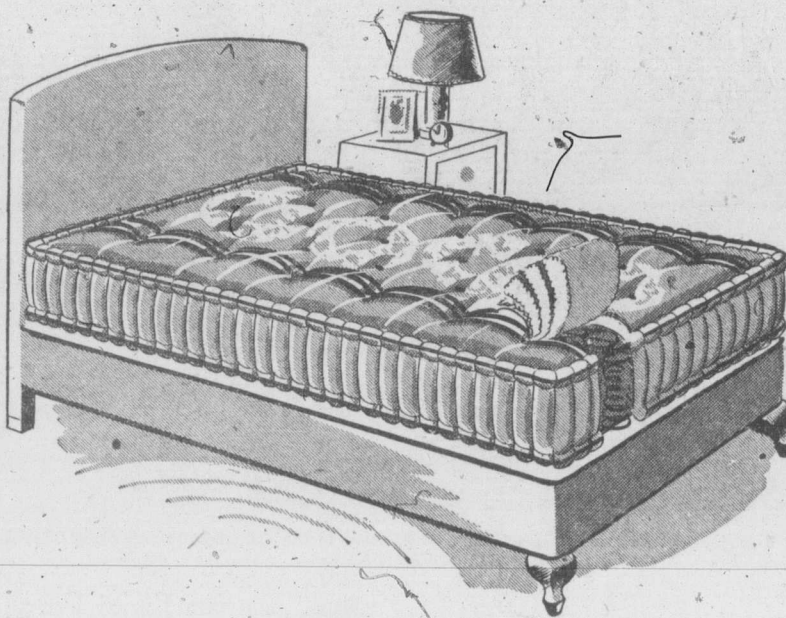

The 17, all sub-lieutenants, graduated from the Canadian Services College, H.M.C.S. Royal Roads in September, 1945.

Appointed to the United Kingdom, they have served in ships of the British Home Fleet and have completed technical courses in Royal Navy shore establishments.

The other sub-lieutenants in the returning group are: T. L. B. Hebbert, Vernon; P. M. Birch-Jones, North Vancouver; Brian Bell-Irving, West Vancouver; G. S. Hilliard, Monarch, Alta.; G. M. Derosenroll, Moose Jaw, Sask.; G. C. McMorris, Winnipeg; J. D. McRuer, D. C. Radford, A. C. McMillan, W. M. Phillips and J. H. Wilkes, all of Toronto; G. B. Withen, Fort William, Ont.; E. J. MacKay, Kitchener, Ont., and J. A. Farquhar, Halifax.

HEARTBURN Two Rennies SWEET DREAMS

Slim chance of peaceful sleep if you're pestered with pains of heartburn and upset stomach. But you can get quick relief if you keep Rennies handy. Digestif Rennies are pleasant-tasting little tablets which you take like candies (no water needed). Dissolved in the mouth, their soothing ingredients soon help to neutralize excess acid; distress and discomfort are promptly relieved. You'll be asleep before you know it! And for digestive upsets during the daytime, remember you can carry Rennies in pocket or bag; they're separately wrapped for that purpose. If Rennies don't relieve you, it's high time you saw your doctor. 25c and 75c all druggists. Ask for Digestive Rennies.

In an outstanding speed and economy performance, Frank Hovevar, 58-year-old hoisting engineer from Gary, Indiana, has just completed a Los Angeles-New York run in a stock model British Austin sedan in 57 hours and 27 minutes. This is believed to be a record for stock automobiles from coast to coast.

Mr. Hovevar, driving his own automobile, averaged 53.3 miles per hour, and averaged a phenomenal 30.6 miles per American gallon (approximately one-fifth less than imperial gallon) the entire trip of 3,062 miles. In August, he drove the same car from New York to San Francisco, 3,260 miles, in 64 hours.

A former dirt track racer, Mr. Hovevar took leave of absence from his job with the American Bridge Co. to make the transcontinental runs. He made both runs by himself.

The car is a stock model 1948 Austin, 40 horsepower two-door sedan purchased by Mr. Hovevar in July. Since then, he has put approximately 24,500 miles on the 2,200-pound car, including visits to 40 of the 48 state capitals.

Officials of Thomas Plimley Ltd., the Austin distributors for Vancouver Island, report that some 400 new Austins have been delivered and large monthly shipments make early delivery possible.

Radio The 'Teacher' At New School

Grade 8 students at Doncaster School listen attentively to the Canadian Broadcasting Corporation's B.C. Schools broadcast.

G. S. Taylor, left, principal of the new school, talks to classrooms from his office over recently-installed sound system which carries radio programs to pupils. Glen Harrison, right, installed system.

Teachers at the new Doncaster School on Cedar Hill Road have an "assistant" in their task of teaching youngsters of the district their ABC's.

The "assistant" is a newly-installed sound system over which CBC education programs are broadcast in the classrooms.

The sound system has other uses too, and many leading educationists are "sold" on the idea that all schools should be equipped throughout with broadcasting facilities.

Other schools in the Greater Victoria area have radio public address systems but none have the modern, serviceable system of which Doncaster School is proud.

At first a novelty for the children, the sound system there

now is taken as a matter of course. It is controlled through the principal's office and is so installed that several classes are able to listen to the Department of Education's sponsored radio programs over the machine.

Announcements can be sent to the eight classrooms of the school as well, and it is possible to contact all rooms at once, or select special ones.

John Gough, municipal inspector of schools, points out the system could be useful in times of emergencies, taking the place of a firebell.

"It enables the principal to contact quickly individuals in various parts of the widely-spread school, as well," he said, "saying the time and disturbance of sending written messages to each individual room."

P.T.A. CO-OPERATION

The sound system was made possible through the co-operation of the Parent-Teacher Association and the Greater Victoria School Board.

Future additions to the equipment involve an automatic record player and loudspeakers for the auditorium. The record player will be used for music appreciation classes.

9 Victorians To Go On Honolulu Cruise

Nine Victorians will set out this week, on a three-week cruise to Honolulu and back aboard the Danish motorship Erria, it was reported today by Eric Marshall of George Paulin Ltd., shipping agents.

The nine are: Mr. and Mrs. H. E. "Barney" Olson, Mr. and Mrs. Ed Mallek, Mr. and Mrs. John H. Daly, Mrs. R. W. Ashburnham, Mrs. Doreen Ruffner and Miss Virginia Ruffner.

Mr. Marshall said demand for accommodation on the voyage was so great in Victoria another 30 Victorians would have gone if there had been space available.

James M. McKnight entered a plea of guilty to a dangerous driving charge Friday in city police court, was fined \$35 and had his license suspended for one month. Charge arose from an accident involving the motorcycle he was driving and a car at Cook and Packington Streets on Oct. 26. A passenger on the cycle was injured.

Textile Delegates Pleased With Tour

Six of Britain's top textile industrialists completed their tour of Canadian cities here Saturday and will leave for home in a few days.

All leaders in manufacture of woolen textiles, the group was headed by Fred Haigh. Others in the party were William Haigh, D. G. Price, G. Carmichael, A. H. Bird and H. Wilson Brooke.

The delegation visited Montreal, Ottawa, Toronto, Winnipeg, Regina, Calgary, Edmonton and Vancouver before coming here Friday, to be entertained by the Department of Industry and local merchants.

"Canada takes from 20 to 25 per cent of all woollens, so we decided to visit our customers as a 'goodwill mission,'" said Fred Haigh. "Naturally we want to increase our sales in order to bring more Canadian dollars to the homeland."

"Our 1947 exports of 14,000,000 square yards of wool cloth topped the 1939 total of 13,900,000 square yards and this year we equalled the 1947 figure in the first seven months, so we hope for a total export of 24,000,000 by the end of the year."

"Speaking for the delegation, I wish to express our keen appreciation of the splendid hospitality shown us by both the federal and provincial governments, trade commissioners, businessmen and, in fact, all with whom we have come in contact. We leave with a warm feeling in our hearts for all Canadians."

Sea Cadet Parade

Ship's company of R.C.S.C. Rainbow will parade next Tuesday and Friday evenings at 7.30 at headquarters, according to orders for the week issued by Lt.-Cmdr. C. R. Powell, commanding officer.

Duty division Tuesday will be Sioux Division, with Sub-Lt. Bishop as duty officer. Duty division Friday will be Skeena Division, with Lieut. Taylor as duty officer.

Any boy over the age of 14 years and five feet three inches in height and wishing to join the sea cadets is asked to report to R.C.S.C. Rainbow either Tuesday or Friday evening.

CALL FOR TENDERS

BRITISH COLUMBIA POWER COMMISSION SILVER CREEK DEVELOPMENT

1—Sealed tenders will be received until 12.00 o'clock noon, P.S.T.,
November 26, 1948, by British Columbia Power Commission for the
execution of general construction work consisting mainly of excavation
and concrete works in connection with a dam, a pipeline and a
powerhouse, at its Silver Creek Development, near Hope, B.C.

2—Tenders shall be accompanied by a certified cheque or a cash
deposit equal to 15% of the tendered price.

3—Tenders shall be enclosed in a sealed envelope marked, "General
Construction Works for Silver Creek Development" and addressed to:

S. B. Marshall, Esq.,
Secretary,
British Columbia Power Commission,
918 Government Street,
Victoria, B.C. (P.O. Box 350)

4—Copies of the Specifications and form of tender may be seen at
the Commission's office, Victoria, B.C., or at the office of the secretary
of Building and Construction Industries Exchange, 342 West Pender
Street, Vancouver, B.C.

5—Tenders will be opened in public at the Commission's office in
Victoria at 2.00 p.m., P.S.T., November 26, 1948.

6—The Commission reserves the right to reject any or all tenders
and the lowest will not necessarily be accepted.

Quebec Liberal M.P.'s Plan Stronger Organization

OTTAWA (CP) — Liberal
members of Parliament from
Quebec will get together at a
caucus here Tuesday to discuss
plans for improving party orga-
nization in Quebec.

The caucus will be held in
camera under the chairmanship
of Solicitor-General Jean, who
recently was named federal Lib-
eral organizer.

Mr. Jean has said the caucus
was called "for general organiza-
tion" purposes, but he has de-
clined to go into detail.

Prime Minister King has told
the party on several occasions
that it could not hope to win the
next election on the basis of pre-
sent organization.

DATE NOT YET KNOWN

Acting Prime Minister St.
Laurent, who represents Quebec

East in the Commons, is ex-
pected to attend. Some believe he
may drop some hint as to when
the next general election will be
held.

The life of Parliament will not
expire until 1950, but Agriculture
Minister Gardiner said in Regina
last Thursday that the next Fed-
eral election might be much
sooner than anyone expected.

The government will be able to
test its strength in Quebec
within the next few months. Mr.
St. Laurent announced Friday
that a by-election will be held in
the constituency of Laval-Two
Mountains in time for that rid-
ing to be represented at the next
session.

The seat was held until last
July by Liguori Lacombe, an in-
dependent who was appointed a
Quebec magistrate. The seat is
due to disappear at the next
federal election under the pro-
visions of the Redistribution Act,
which changed the boundaries of
many existing constituencies.

The recent by-election victories
in the Ontario constituency of
Algoma East and in the Saskat-
chewan constituency of Rosethorn
proved encouraging for the gov-
ernment. They were followed by
the announcement that a by-elec-
tion will be held Dec. 13 in
Digby-Annapolis-Royal, the seat
held by Rt. Hon. James Lisley,
former justice minister.

UNITED NATIONS

Political sources look for an
early return to Canada of Trans-
port Minister Chevrier, now in
Paris.

Mr. Chevrier has been heading
the Canadian delegation to the
United Nations meetings since
mid-September. However, Exter-
nal Affairs Minister Pearson
flew to Paris during the week-
end to take over that leadership
and it is felt here Mr. Chevrier
might well return.

With Mr. Chevrier's return,
Trade Minister Howe will sur-
render the title of Acting Minis-
ter of Transport, which he has
held since Mr. Chevrier left
Ottawa.

Power Commission Rejects Sale Terms

LADYSMITH — The city's
proffered terms of sale of its
electric light system were not
accepted by the British Colum-
bia Power Commission, accord-
ing to a letter from the com-
mission through secretary S. B.
Marshall, to city council.

The City of Ladysmith set
terms of sale calling for a cash
payment of \$30,000 together
with 12 annual payments of
\$11,000 each. Council and the
commission have conferred for
some time on the proposed sale.

Following receipt of the com-
mission's letter, aldermen were
divided in their opinion while
Mayor L. Ryan expressed dis-
appointment. The letter stated:

"I am instructed to advise that
the commission cannot entertain
the offer contained in your let-
ter of Oct. 4, as the commission
cannot agree to the principle of
making a lump sum payment
and in addition a series of annual
payments. The commission also
wishes to point out that certain
factors have not been taken into
consideration in making the
offer."

If the city council wishes,
Commissioner F. L. Shaw will
meet with them again in Victoria
to discuss the matter further, the
letter stated.

Ray Jones Heads Elks' Lodge Here

District Deputy Grand Exalted
Ruler T. D. James, Nanaimo,
installed Ray Jones as Exalted
Ruler of the Victoria Elks Lodge,
No. 2. He was assisted by John
Florence, Nanaimo, and Alex
Peden, Victoria.

Installed as honorary past
exalted ruler in recognition of
ten years' faithful service as
secretary of the lodge was C. V.
Milton.

Other officers installed were
Andrew Payton, A. J. Worth and
P. Fitzsimmons, trustee; A. D.
Johnston, inner guard; Cecil
Wright, tyler; J. Foxgard, chap-
lain; G. F. Todd, organist; A. W.
Erickson, esquire; A. J. Ber-
geron, historian; C. V. Milton,
secretary; Ray Topliss, lecturing
knight; R. P. Collins, leading
knight; and C. C. Howard, past
exalted ruler.

A musical program by violinist
Bert White and his musicians
followed the installation banquet.
The banquet was under the con-
servationship of Mrs. I. Funk, aided
by the ladies of the Royal Purple,
No. 5, of Victoria.

Shawnigan Favors Raise For Teachers

SHAWNIGAN LAKE — A
reasonable increase in teachers'
salaries in conformity with other
districts of the province was
favored in a resolution passed at
the annual ratepayers' meeting
of the Shawnigan Lake school
attendance area.

Ratepayers urged also that the
government be asked to increase
the basic salary grant in line
with the rising cost of living.
The meeting readopted a resolu-
tion passed at last year's meeting,
that the cost of education be re-
moved from the land and taken
from consolidated revenue.

Members of the school board
discussed reasons for the delay
in the school building program,
for which money was voted by
law nearly a year ago. The
program included a new three-
room school for Shawnigan.

Mrs. E. G. Gibson was re-
elected school representative for
the area. G. F. Dyson gave a
detailed report of the administra-
tion of the district.

Chemainus. Plans Negative Vote On Ladysmith School Plebiscite

CHEMAINUS — A thorough
canvass to defeat a forthcoming
plebiscite for the proposed high
school to be built at Ladysmith,
will be undertaken as a first step
towards a plan to get a Che-
mainus school district. It was de-
cided at a special meeting of the
Chemainus Ratepayers' Associa-
tion.

Ratepayers were advised that
the plebiscite would possibly be
held within 45 days.

A definite negative vote on the
plebiscite was looked upon by
ratepayers as the best way of get-
ting a hearing, following a report
that no progress had been made
with the department of education
regarding formation of a sepa-
rate Chemainus and district
school area.

H. Olsen, president, submitted
replies from the motor transport
branch of the provincial govern-
ment regarding the alleged over-
crowding of Ladysmith high
school buses.

The association appointed a
committee of three to press for

action, when they learned the
situation had not been remedied.

NEW PRESIDENT — John Ed-
ward Forsyth was recently elected
president of John Forsyth Lim-
ited, Kitchener, Ont., succeeding
his father, the late John D. C.
Forsyth.

Fairbridge Finty Farm Disposed Of

VERNON (CP) — The famous
275-acre Finty Fairbridge Farm,
30 miles south of here, has been
sold to Richard T. Perry and
William C. Prater of Yakima,
Wash.

Owned by the late Capt. J. C.
Dunwaters, millionaire "Laird of
Finty," the farm had been oper-
ated by the Fairbridge Farm
School since Capt. Dunwaters
gave it to the institution in 1936.
Financial difficulties made it

impractical for the school to con-
tinue and it was sold for an un-
disclosed sum.

Emergency Food Reaching Children, Official Announces

PARIS (CP)—Mrs. B. Sinclair of Ottawa said Saturday she is convinced the International Children's Emergency Fund program is being properly administered in Poland, Czechoslovakia and Italy.

Back from a four-week tour of the three countries, the chairman of the program committee of the United Nations agency said in an interview that she is satisfied that "food is reaching the children and our conditions are being met."

Since her return from the three countries, which she toured with seven other officials, everybody has been asking the health and welfare department official whether there is any political interference with the aid programs, particularly Poland and Czechoslovakia.

"As long as they need milk as badly as they do they will keep the rules," she said. "There are some administrative bog-downs, of course, but from our investigation nothing that goes deeper than that."

She is in Paris to attend a meeting of the committee which Friday voted \$6,000,000 for supplementary relief for nearly 250,000 child-and-mother refugees from combat areas in Palestine. Twenty-six countries, including Canada, are represented on the I.C.E., which was set up early in 1947 as the "child" of the disbanded Unrra. Canada has given \$5,000,000 to the fund.

Reunion Biggest Since The War

TORONTO (CP)—More than 1,100 former members of the R.C.A.F. Women's Division this week-end held their biggest reunion since the war. They came from all parts of Canada and from England, Australia, and Labrador.

Chief speaker at a dinner Saturday was Wing Officer Winifred Taylor. She reminisced about wartime days and spoke of the strong spirit of comradeship among former W.D.s.

Air Vice-Marshal C. R. Slémon said the W.D.s. were missed greatly in the air force. The only women now in the service are messengers and nursing sisters.

A full flight of 100 uniformed girls headed a church parade. Another flight in civvies followed.

Personal Notes

Mr. and Mrs. J. M. Robbins have returned to their home on Michigan Street, following a three-week motor trip in southern United States.

Mrs. H. L. James, who is en route to her home in West Vancouver following a visit in Seattle, is the guest of her son and daughter-in-law, Mr. and Mrs. G. L. James, Rockland Avenue.

Mrs. George Anstey entertained at the tea hour recently at her home on Milner Avenue, to honor bride-elect, Miss Doreen Cleator. Guests numbering 16, included family friends.

Honoring Mrs. Hartley Florence, a baby shower was held at the home of Mrs. Olie Melin by ladies of Leechtown. Afternoon tea was served by the hostess. Little Donna Keoppel wheeled in a miniature bassinet containing gifts for the honor guest.

At 2:30 Sunday afternoon the infant daughter of Mr. and Mrs. "Jimmy" Perri, 2303 Fernwood Road, was christened by Father Costello at St. Andrew's Cathedral. The child received the names Joanne Helen, Miss Florence Larinde and William Larinde acted as godparents. Grandparents are Mr. L. Perri of this city and Mr. and Mrs. A. Casillo of Port Angeles. Following the ceremony Mr. and Mrs. Perri entertained friends at their home.

Among guests attending the marriage Saturday evening of Miss Beverley Moore to Mr. William Reynolds were the groom's mother, Mrs. H. Rose, and also Mrs. J. Jinks of Toronto; Mr. and Mrs. A. A. Moore, Mr. and Mrs. B. Enright with little Shaaron Enright, of Nanaimo; Mr. and Mrs. W. Williamson, Duncan; Mr. and Mrs. W. McKinnon, Mr. and Mrs. T. Clarke, Miss Donna McKinnon, Miss Betty Hickey, and Mr. G. Rich, ardsen, all of Vancouver.

Complimenting Miss Doreen Cleator who leaves shortly for Jamaica where her marriage to Mr. Hugh Maxwell will take place, Mrs. D. C. Holmes, New Dockyard, entertained at a luncheon party and miscellaneous shower. Corsage bouquets were presented to Miss Cleator, and her mother, Mrs. J. R. Cleator. Other guests were Mrs. George Anstey, Mrs. A. H. Marjion, Mrs. R. Knight, Mrs. Theo. Waters, Mrs. J. Howroyd, Mrs. E. Pollock, Mrs. Norman Arnold and Mrs. Jack Cleator Jr.

Beverley Moore, Saturday Bride

Mr. and Mrs. Reynolds are now motoring in United States on their honeymoon. Later they will make their home in Victoria.

Miss Beverley Rae Moore donned a snowdrift satin bridal gown distinguished with high round neckline, and cape collar and yoke of Chantilly lace tapering to the waistline, when she became the bride of William L. Reynolds of Toronto, only son of Mrs. H. Rose, also of Toronto, and the late R. Reynolds.

Rev. George Biddle performed the Saturday evening ceremony at St. John's Church. The bride, only daughter of Mr. and Mrs. W. J. Moore, Cook Street, was given in marriage by her father.

A coronet of seed pearls held her veil of illusion net, which misted over the full train of her skirt. She carried a shower bouquet of pink roses, carnations and swainsona.

Miss Geraldine Mark and Miss Gloria Muston, bridesmaids, were gowned alike in bluestone satin, styled with cowl necklines, and wide fichus caught at the shoulders and tapering to points at the back, and full skirts slightly en train. Their elbow-length

gloves matched their gowns. They wore bandeaus of flowers in their hair to match roses and carnations in their loose Colonial bouquets.

Little Shaaron Enright, her cousin's flower maid, was gowned in misty pink taffeta. She wore a Dutch bonnet in the same shade and carried a miniature Colonial bouquet.

Fred Hobson gave the toast to the newlyweds at a reception at the Moore home. Mrs. Moore and Mrs. Rose received guests with the couple. The three-tier wedding cake, encircled in pink tulle, was placed on the bride's table, covered with a cutwork cloth and set with silver vases of pink rosebuds.

The bride traveled in a waistcoat grey tricot suit with short fitted jacket, and full skirt featuring unpressed pleats. She wore a profile Gainsborough model hat in ruby claret finished with grey osprey, and complementing her ensemble was a brown squirrel fur neckpiece, gift of her groom.

Mrs. J. Annett, Dewdney Avenue, is leaving Victoria on Wednesday for an extended visit in London, Ont., where she will be the guest of her son-in-law and daughter, Mr. and Mrs. H. B. Baskshaw.

Miss Winnifred M. Cooke, R.N., assistant secretary, Canadian Nurses' Association, is a visitor in Victoria from Montreal. Miss Cooke is well known in the city, being a former instructress of nursing at Royal Jubilee Hospital. It is in her honor that a reception is being held by the Jubilee Hospital Alumnae Association in the Nurses' Home on Tuesday at 8.

Mrs. H. Thompson was hostess to W.B.A. Pioneer Club members at her home, 1889 Lullie Street. Gold and brown chrysanthemums were used throughout the rooms and centred the tea-table. Guests included: Mesdames J. Addison, J. Adams, F. Baillies, A. Barraclough, G. Brown, N. Greco, S. McNeil, M. Morley, J. Ricketts, M. Smith, P. Stephen, McQ. Todd, A. White, H. White, also Carol Ann and Archie Greco.

Victorians who dared the wrath of Forbiddin Plateau's ghost, "The Wendigo" to spend the week-end at Forbiddin Plateau Lodge included Mr. and Mrs. J. H. McClain, Mr. and Mrs. E. H. Henshall, Mrs. Sara Bosdet, Mrs. Alex T. Stewart, and Mr. and Mrs. Roger Kirkham. Saturday evening the guests were entertained by the old-time music of George MacLean, the Indian guide.

Mrs. P. C. Black, accompanied by Miss Mary Jean and Miss Brenda Phillips, returned to Victoria this morning, after spending the week-end in Vancouver, where they attended the wedding of Mrs. Mary Phillips and Mr. H. A. Macintosh, which took place there last Saturday. Mary Jean and Brenda will stay in Victoria until the end of November when they will go to Seattle to make their home.

Great Sister From England At Family Reunion

Charming principals at a family reunion this week are Mrs. D. H. McKenzie, who arrived last week from England, and Mrs. Clarence Mann, standing, left to right, and Mrs. P. Milloy with Mrs. A. Watson, seated, left to right.

The sisters, members of a well-known Victoria family are daughters of Dr. and Mrs. Alexander Robinson, 1900 Argyle Street.

Mrs. McKenzie, who for the past 16 years has made her home at Maidenhead, near London, arrived in the city from England last week, and will spend several months here. She is the guest of her sister, Mrs. Mann, 1231 Beach Drive.

Mrs. Watson traveled to Montreal to meet her sister, whom she had not seen in 18 years, and en route to the west coast, they stopped in Vancouver to visit their brother and sister-in-law, Mr. and Mrs. H. L. Robinson.

The sisters, all born in Victoria with the exception of Mrs. Mann, who claims Vancouver as her birthplace, spent their school

days here. Dr. Robinson is a former deputy minister of education here, and in the early days of Vancouver, was superintendent of schools in that city.

Mrs. McKenzie plans to return to England next March, where she will join her husband and young son, James Alexander.

Masquerade Party At Normal School

Black cats and witches with brooms created a setting in the Normal School auditorium for a masquerade dance last week-end. Special guests included faculty members and their wives.

President of the student's council, Bob Hampton, acted as master of ceremonies. A variety of novel dances, a gay floor show and a burlesque on "Carmen" provided fun for all.

Costumes were judged by Dr. Henrietta Anderson, Mrs. F. E. Johnson and Dr. J. L. Murray Anderson. Prizes were won by Rodney Hunt, Wally Mark, Elaine Liefer, Maureen Adelard and Ruby Rundquist.

Margaret Bracken was general convener and committee conveners were Pat Girard, refreshments; Betty Bhowey and Alan Mosher, decorations; Melba Towriss, prizes; Wilma Richardson, program, and Bruce Kennedy, invitations.

E. Morse To Speak

Eric Morse, National Secretary of the United Nations of Canada, will address members of the Women's Canadian Club at their meeting in the Empress Hotel ballroom Wednesday at 2:45. His subject will be "Is Capitalism Between Russian and the U.S.A. Possible?"

Mr. Morse is thoroughly conversant with the works of the United Nations, and will be remembered for his excellent address last year when he came from meetings at Lake Success.

Bazaar Nov. 10

Mrs. J. L. Gates will open the Christmas bazaar to be held by Daughters of St. George, No. 83, at the K. of P. Hall, Cormorant Street, Nov. 10 at 2:30. Mrs. Rose Williams is general convener of the affair, and Mrs. Fairservice will convene afternoon tea which will be served from 3 to 5.

Order Of The Royal Purple Installs Officers For Year

Before a large gathering of members and friends from up-island and Victoria, installation of officers of the Order of the Royal Purple, Auxiliary to the B.P.O. Elks was held in the lodge rooms, Cormorant Street.

Deputy Supreme Honored Royal Lady Mackie, assisted by Amy Bergeron, installed the following: Amy Jones, Honored Royal Lady; Florence Wright, immediate past Honored Royal Lady; Laura Baldwin, Associate Royal Lady; May MacBride, Royal Lady; Ida Funk, Lecturing Lady; Pearl Fevany, secretary; Rita Cretney, treasurer; Ethel Gamble, chaplain; Mary Waldon, conductress; Sally Berg, inner guard; Anne Lowrey, outer guard; Myrtle Ganner, three-year trustee; May Cox, one-year trustee; Irene Simmons, pianist, and Gladys Jasper, historian.

Retiring Honored Royal Lady Florence Wright was presented gift of a Royal Purple ring from the immediate past Honored Royal Lady and three chair officers.

Acting on the drill team were Violet Arthur, Irene Simmons, Mabel Webb, Margaret Pankhurst, Alice Moore, Evelyn Finn and Julie Barrie. Frances Bergeron was pianist for the evening and Mabel Fuller, secretary. Soloist was Hilda Clark.

Following the installation, members enjoyed a banquet.

Pioneers Honored At W.B.A. Banquet At Strathcona Hotel

Women's Benefit Association, Review No. 1, held their annual banquet with six pioneers, over 80 years old, as special guests. A birthday cake centred the guest table and was cut by a pioneer guest celebrating her 80th birthday. President, Mrs. A. Barraclough, assisted by vice-president, Mrs. K. White, welcomed over 45 guests. Mrs. K. McDonald was in charge of arrangements, assisted by Mrs. A. Ritchie. Mauve corsage bouquets were presented to the honor guests. Mrs. R. Thompson was the pianist for the evening. Following the banquet a card game was held.—(Photo by Bill Halkett)

Land Registry Staff Holds Banquet, Dance

About 50 members of the staff of the Land Registry Office, Attorney General's Department, provincial government, gathered at "The Ranch," for their first annual banquet and dance.

Hallowe'en decorations were used effectively throughout rooms, and arrangements were made by the social committee under president Peter McKechnie.

Presentations were made to recent brides, Mrs. Peter Whitehouse and Mrs. Craig Jones, on behalf of the staff. A former member, A. B. McCan was welcomed.

Married In Scotland

A romance that began in 1944 was culminated in the marriage last Friday at St. Margaret's Church, Shawlands, Glasgow, Scotland, when Miss Elizabeth Sylvia Paul became the bride of James Steel.

The couple met when Mr. Steel, came from Scotland four years ago, as a lieutenant with the Royal Navy, and served aboard an auxiliary cruiser supply ship.

Miss Paul, eldest of daughter of Alexander S. Paul, "Banchory," All Bay Road, Sidney, and the late Mrs. Elizabeth E. Paul, and granddaughter of Mrs. H. J. Scott, and the late Mr. Scott, and of the late Dr. E. B. Paul, and Mrs. Paul, is well known in Victoria and was a member of the Victoria Public Library staff.

She left the city in 1947 for England, where for the past 15 months she has been assistant librarian at Leeds, Yorkshire. The couple plan to make their home in Manchester.

Mr. Steel is the son of Mr. and Mrs. A. H. Steel, 18 Waverley Gardens, Glasgow, Scotland.

Friends Honor Couple On 25th Anniversary

Friends held a surprise gathering last Friday evening at the home of Mr. and Mrs. Bert Noel, 1429 Richardson Street, to honor them on the occasion of their 25th wedding anniversary.

An orchid corsage and a boutonniere were presented to the honor couple with a silver tray. Frank Noel made the presentation. Many other gifts and flowers were received.

The refreshment table, covered with a hand-made lace cloth used at the wedding 25 years ago, was centred with an anniversary cake which was the middle layer of the wedding cake of Mr. and Mrs. Noel's eldest son, Jack, married early in September. Also decorating the table was a gift from Mr. Noel to his wife, a pair of silver candelabra.

C. M. Parrott proposed the toast and during the evening Mrs. Bert Noel sang several solos.

Receiving guests were Mrs. Frank Noel and Miss Irene Noel. Among those present were F. Moorhead, father of Mrs. Bert Noel; Mrs. Jack Noel, Vancouver; Mr. and Mrs. Sandy Noel, Mr. and Mrs. C. M. Mary Nolan Dies

HOLLYWOOD (AP) — Mary Nolan, "hard luck actress," who danced her way to world fame as Imogene "Bubbles" Wilson in the Follies, died Sunday. A chronic bladder ailment caused her death. The famed blonde, 42-year-old dancer weighed only 90 pounds when she died.

The late Mark Hellinger had once said of her:

"Only two people in America would bring every reporter in New York to the docks to see them off. One is the president. The other is Imogene 'Bubbles' Wilson." But that was 1922.

Stalin's Atom Race Flop, Paper Says

LONDON (Reuter) — The London Sunday newspaper, The People, printed on its front page a story stating that "Stalin's race to produce the atom bomb" is "a flop."

All the uranium mines under Russian control, the paper said, produce such a low grade of ore

that it will be years before Russia can amass enough uranium to build an atomic pile and make one bomb.

Many years will elapse before Russia can build up a stockpile of 500 bombs, "which military experts say is the minimum needed by any power contemplating war," the newspaper said.

U.S. Voters To Fill 32 Senate, 432 House Seats Tomorrow

WASHINGTON (AP) — Competing with the President for interest in tomorrow's balloting in the United States are elections for 432 House of Representatives and 32 Senate seats as well as 32 governorships.

If either the Democrats or Republicans, the major parties concerned, come out on to in a decisive fashion, the winning party will have established a strong beaphead for the political wars of 1950 and 1952.

CONTROL OF CONGRESS

The prize plum aside from the Presidency itself is control of the 81st Congress, which will convene next Jan. 3. This is the Congress that will start writing the record on which senatorial and congressional candidates will run again in 1950. That record inevitably will be a major issue in the Presidential campaign of 1952.

The Republicans are confident of retaining control of the House and hardly less so of breaking in their favor the present 24-24 governorship tie in the 48 states. The Democrats dispute both these claims, but their loudest predictions have to do with the Senate.

The party that controls the Senate also controls the committees that steer legislation into the chamber. That party, too, controls much of the prize patronage of the White House, for all the major appointments must be confirmed by the Senate.

There are 33 Senate seats being filled this year, but that number includes one race already won by the Republicans in Maine Sept. 13.

Republicans now control the Senate by a 51-45 margin, which means the Democrats need a net gain of four seats for control.

There are 95 candidates for the 32 seats involved in tomorrow's Senate voting — 28 Republicans, 32 Democrats, 11 Progressives, 8 Socialists, 4 Socialist-Labor, 6 Prohibition, 2 Socialist Workers, 3 Independents, and 1 Industrial Government.

962 CANDIDATES

Contending for the 432 House seats (Maine elected three Republicans in September) are 371 Republicans, 418 Democrats and 173 minority party candidates.

The entire House of Representatives' membership is elected this year, as it is every two years. Republicans now are in control with 246 seats against 187 for the Democrats and 2 for the American Labor Party.

The even political division in governorships is almost certain to be broken. Eighteen of the 32 governorships to be filled now are held by Republicans, 14 by Democrats.

Claimant To Wealth Weds U.S. Soldier

BERLIN (AP) — Ursula Bauer, 23, a German secretary who claims to be the heiress to an \$18,750,000 fortune in the United States, and Sgt. Paul Ongstad, 21, of Westport, Ore., were married here at the week-end.

The bride claims she was related to Henrietta Garrett, who died leaving a snuff fortune in Philadelphia. She tried vainly earlier this year to get a visa to the United States to stake her claim. Ongstad is the son of Mr. and Mrs. Gunnar Ongstad of Westport, a Columbia River town 70 miles from Portland.

Film Council's First Festival Opens Thursday

Greater Victoria Film Council's "First Film Festival" will be held in the National Film Board's screening room, 1217 Wharf Street, Thursday, Friday and Saturday, Nov. 4, 5 and 6. A new program will be offered each day and there will be four showings daily, at 2, 4, 6 and 8.

Working in close conjunction with the National Film Board at Ottawa and Victoria Public Library, the film council was formed five years ago, and in the intervening time has done much to publicize and popularize the audio-visual or "sound-film" as a vehicle of education and entertainment.

Subject to last-minute revision, the program for the three days will be as follows:

Thursday—Craftsmen at Work, Body Care and Grooming, Eye Witness, Cartoon, Salt From the Earth.

Friday—Third Dimension, Children's Ears, Oars and Paddles, River of Paper, Cartoon, and Ordeal by Ice.

Saturday—Portage, That Feeling of Rejection, Baseball, Cartoon, Eye Witness, and Atlantic Salmon.

Films will be supplied by the National Film Board, the University Extension Department and General Films Ltd.

Nicol May Sell Interest In 2 Dailies

SHERBROOKE, Que. (CP)—Senator Jacob Nicol, publisher of The Quebec newspapers L'Evenement, Journal and Le Soleil, disclosed Sunday night that he had an offer to sell his interest in the two dailies.

The published said that if the deal goes through it will involve a sum of about \$2,000,000. Mr. Nicol would receive a certain amount of cash, the balance payable a year after his death.

The deal would be made on condition that Senator Nicol would retain control of both French-language papers as long as he lives, or as long as he is well enough to look after them.

There is no question of selling his other two papers, the Three Rivers Le Nouvelliste and Sherbrooke La Tribune, said Senator Nicol.

3 Boards, 3 Officers Named To Solve Labor Disputes

The Labor Relations Board today announced the appointment of three conciliation boards and three conciliation officers to attempt to solve B.C. labor disputes.

Here are the appointments:
1. W. T. McLaughlin for dispute between Victoria City and Civic Employees' Protective Association, No. 50, representing 200 employees. The union is asking a 15-month contract with a boost of 16 cents hourly or \$27.70 monthly after three months.

2. R. G. Clements for dispute between Skyline Manufacturing Co. and 25 woodworkers, Vancouver. The union is asking the company pay wages and provide working conditions similar to those prevailing in the industry.

3. Robert Forgie for a dispute between Neon Products of Western Canada Ltd. and electrical workers. Union is requesting \$1.70 an hour at living cost at 160 with adjustment for every five-point rise or fall in living index.

Conciliation Boards:
1. W. T. Moodie, chairman; F. J. R. Whitehead for employers,

R. K. Gervin for union, in dispute between 10 Vancouver machine shops and 400 machinists. The union is asking 15 cents an hour increase and other contract amendments.

2. Judge J. R. Archibald, chairman; D. K. Gordon for employers, W. H. Sands for employees, in dispute between Dominion Construction Co. Ltd. and 70 carpenters at Kelowna and Vernon. The union is asking revision of wage scales, overtime payments, working conditions and hours of work.

3. A. J. Cowan, chairman; J. P. Mackenzie for employers, and J. H. Irving for union, in dispute between Smith Bros. and Wilson Ltd. and 50 building workers in the Kelowna area. The two parties have agreed that the findings of the board for a proposed collective agreement will be binding.

Churchill Accused Of Doing Harm To Commonwealth

LONDON Reuter—The Sunday newspaper the Observer charged Conservative Leader Winston Churchill with adding "a most unfortunate and unhelpful postscript to the brilliantly successful work of the Commonwealth Conference" of prime ministers.

"His statement that India would have to be treated as a foreign country unless the link with the British Crown is preserved begs a momentous constitutional question, on which the future of the Commonwealth may well depend," the paper said.

"And his insistence on keeping the nomenclature British Empire for an association of nations which is plainly no longer either British or an empire is scarcely statesmanlike."

"Is Mr. Churchill really willing to throw away the chance of building an intimate partnership between the leading power in western Europe, Britain, and the leading power in Asia, India, for the sake of 'pride of race'?"

"Everybody can today see that in the controversy on Indian policy a year ago Mr. Attlee (Prime Minister) was right and Mr. Churchill was wrong. He should be great enough to admit error and to change his mind."

Many City Groups To Assist In Tag

Poppy sellers will be stationed at street corners in both the downtown and outlying business districts next Saturday when Poppy Day is observed in Victoria.

Taking part in the day-long sale will be volunteer workers from the Britannia, Pro Patria, Esquimalt, Public Service and Ex-service Women's branches of the Canadian Legion, the Army, Navy, Air Force Veterans' Association, Women's Auxiliary, various branches of the I.O.G.E., St. John Ambulance Association and Red Cross Society.

Other organizations which will supply taggers are the Order of the Eastern Star, Order of Royal Purple, St. Joseph's Hospital Auxiliary, Jubilee Hospital Aux-

iliary, Catholic Women's League, and Victoria and Oak Bay High Schools.

Money raised by the sale of poppies will be used to assist disabled war veterans, not receiving government aid.

Poppies will be worn from the Saturday until Thursday, Nov. 11, when Remembrance Day is observed.

LANTIGEN "C"

Dear Sir:
My husband has been a sufferer of Arthritis for about 10 years and about 18 months ago started to take Lantigen. He has taken six bottles and has found great relief. The pain was mostly in his feet and he walked very badly, but now he walks much better and the pain is almost gone from his feet, which shows Lantigen helped a lot.

He has slept better since taking LANTIGEN.

Rangers, Black Hawks Register First Wins

The underdog clubs made week-end hay in the National Hockey League as Boston and Detroit lost their first games of the season and Chicago and New York hit the win column for the first time.

When it was all over Detroit Red Wings still were atop the league, two points ahead of Boston Bruins.

Detroit lost to Toronto 2 to 1 Saturday, but came back to the top with a 4 to 1 victory over Montreal Canadiens Sunday.

Boston and Montreal battled to a 3 to 3 overtime tie Saturday, then Bruins bowed 2 to 0 before the fifth-place New York Rangers.

The last-place Chicago Black Hawks, after five straight losses, scored with 11 seconds remaining to dump the fourth-place Toronto Maple Leafs 2 to 1 in Chicago Sunday.

Doug Bentley was the hero of the week-end. It was his goal—scored at 19:49 of the third period after Bill Mosienko and Doug McCaig took the puck behind the Toronto defence—that

	W	L	D	F	A	Pts
Detroit	—	5	1	1	20	7 11
Boston	—	4	1	1	24	11 9
Canadiens	—	2	2	3	20	13 7
Toronto	—	3	4	0	14	17 6
Rangers	—	1	3	1	6	15 3
Chicago	—	1	5	0	40	31 2

gave Bill Tobin's hapless Hawks their first win of the year.

Les Costello put the Leafs ahead in the first period. Then Bob Goldham tied the score in the second frame.

Kennedy scored both goals Saturday when Toronto beat Detroit. He put Leafs ahead in the first period and sank the winner in the third session. Ted Lindsay got the Detroit score, two minutes after Kennedy's first goal.

SCORES FIFTH GOAL

Lindsay added another goal—his fifth this year—Sunday against the third-place Montreal club. Three other Red Wings—Gordon Howe, Jim McFadden and George Gee—got their first goals of the season.

Big Butch Bouchard bounced a shot over Harry Lumley's stick in the second period for Montreal's only goal against Detroit in two games this year.

Grant Warwick led the Bruins into their 3 to 3 tie with Canadiens Saturday. He scored twice and passed to Pete Babando for the tying goal with less than two minutes left.

Ken Mosdell, Billy Reay and Glen Harmon scored for Canadiens as Boston came from behind three times to square the score.

The tie snapped Bruins winning streak at four games, then New York surprised by stopping Bruins completely Sunday.

Nick Mickoski scored Rangers' first goal in the second period and rookie Clint Albright got the other midway in the final period.

The whole N.H.L. crew—but Toronto and members of last year's all-star squad—now rest until Saturday. Meanwhile Toronto, Stanley Cup holders, meets the rest of the league in the annual all-star game in Chicago Wednesday.

TORONTO-DETROIT
First Period—Scoring: None. Penalties: McNam, Horack, Mackell.
Second Period—Scoring: Bentley (McCaig), 10:49; 2, Detroit, Lindsay (Quackenbush, Howe), 12:47. Penalties: Bentley, Horack, Mackell.

Blue Bombers Enter Western Grid Final

CALGARY (CP)—Displaying power on the ground and

through the air, Vancouver Blue Bombers swept into the western Canada junior football finals Saturday by overwhelming Calgary Tornados 29 to 12 in a sudden-death western semi-final tilt before more than 3,000 fans.

The west coast squad, defending Dominion title, now meet the winner of the Manitoba-Saskatchewan series between Saskatoon Hilltops and Winnipeg Rods.

A powerful, fast-charging line and a smooth-functioning backfield provided Bombers with their victory margin. The B.C. squad held a 12 to 6 lead at half time rolled for a five touchdown performance during the game.

Halfback Walt Chaley was the big gun in the Vancouver victory march. He scored one touchdown and kicked four converts for a nine-point margin, while his spectacular plunging and running kept play in the Calgary end of the field for most of the second half. Al Byman, Bill Bennett, Wendall Greene and Vince Chessa chalked up the other points with a touchdown each.

Stylish Bill McMahon tallied both Calgary majors, while Jack McArthur made the converts.

The hole-in-one season has started again at the Victoria Golf Club.

Jack Todd fired an ace on the 180-yard 13th yesterday while playing with his sister, Marjorie Todd; his father, E. D. Todd, and D. R. McCall.

Visiting Soccer Goalie Makes Save

Although he had a bad afternoon, Frank Ashdown, North Shore goalkeeper, leaped high into the air to block a shot from Gordie Bell during Saturday's Coast League soccer match against Victoria United. Noel Morgan, speedy Victoria left-winger, is seen at the extreme right, while North Shore players on the left are Jimmy Spencer and Alex Reid. The chap with the No. 2 is visiting fullback Harry Anderson, who partially blocks out Bill Hope, United centre-forward.

Y's Little Men Thwart Pro Pats Bid For Hoop Win In Wild Tilt

Red Mason and Dick Chung-ranes are two of the smallest players in the senior A cage loop. But on Saturday night these two little mites were all that stood between Pro Pats and a victory over the Y.M.C.A. in the feature game of a senior A twin bill.

The game wound up with the "Y" quintette winning 58 to 57 after two hectic overtime periods and when it ended Mason and Chung-ranes were the only two association cagers on the floor. Pro Pats were a little better off as they had four-making a total of six players in all on the court, but in the last seven seconds Mason and Chung-ranes froze the ball to preserve a one-point lead.

58 FOULS
Leading up to the finish was one of the wildest and queerest games of the year. Personalities came thick and fast right from the opening whistle as referees Macmurchie and Stipe clamped down on rule infringements and whistled no less than 58 fouls in the contest.

In regulation time the game was close with neither team able to build up much of a lead. Pro Pats led 8 to 6 at the first quarter.

bill a scrappy band of Eagles outplayed K.V.'s for their first victory of the year, 49 to 32. But this upset was overshadowed by the hectic encounter that followed.

Eagles displayed a fast breaking offensive in dumping the K.V.'s and never appeared in trouble against the more experienced orangeshirts. Jim Ranson with 11 points, Bernie Anderson and Bob Long, each with eight points were the Eagles' leading sharpshooters. Anderson with 12 and Ron Castner with nine topped K.V.'s.

PRELIMINARY
Eight Aces squeezed out a 28 to 26 victory over Allen's in an intermediate B boys preliminary. Winners rallied in the latter part of the game and capped the decision of Acreman's five point spurge in the final few minutes.

Wrestling will return to the Bay St. Armories Saturday night when promoter Rocky Brooks presents his first card of the winter season.

Featuring the show will be a tag team match, featuring four of the top light heavyweights on the circuit. One partnership will include Jack Kiser and Jack McLaughlin, two of the fastest and cleverest boys to show here last winter, against Tony Ross and Chico Garcia, a pair of the rough-house performers. This bout should produce enough action to suit the most bloodthirsty fan.

The semi-windup will see Bill Hunter, Toronto, match* holds with Gus Johnson of Sweden. An additional bout to complete the card will be announced later.

Mrs. B. H. Anderson Uplands' Captain
Mrs. B. H. Anderson was elected women's captain of the Uplands Golf Club at a recent general meeting. Mrs. F. B. Shore was named secretary with the following members on the committee: Mrs. G. Silburn, Mrs. H. G. Carson, Mrs. R. Powell, Mrs. J. Riddell and Mrs. H. T. Webb.

Mrs. H. G. Carson, on behalf of the members, made presentations to the retiring captain and secretary, Mrs. S. D. Horsford and Mrs. Silburn, respectively.

In a nine-hole competition Mrs. Riddell was the winner and Miss D. Percival runner-up.

Jack Todd Scores Ace At Oak Bay's 13th
The hole-in-one season has started again at the Victoria Golf Club.

Jack Todd fired an ace on the 180-yard 13th yesterday while playing with his sister, Marjorie Todd; his father, E. D. Todd, and D. R. McCall.

In the only southern division game captain Larry Thibault led the San Diego Skyhawks to a 5 to 1 win over the visiting Los Angeles Monarchs,

Sunday night Dalglish fired four goals—two unassisted—to lead the second-place Eagles to a 6 to 4 win over the Canucks. He assisted in a fifth goal as the Portlanders came from behind.

The slumping Seattle Ironmen collapsed before visiting Tacoma, the Ironmen losing 6 to 1. Four of the Tacoma goals were in the final period.

In the only southern division game captain Larry Thibault led the San Diego Skyhawks to a 5 to 1 win over the visiting Los Angeles Monarchs,

Veteran Winnipeg Gridders Retire

WINNIPEG (CP)—On the heels of Winnipeg Blue Bombers' elimination from the western football picture for 1948, four veteran players vowed today they would hang up their football togs. The players are Bill Ceretti, Tiny Lucid, Joey Turner and Norm Geller.

Together they had 54 years' service in the Western Inter-Provincial Football League with Ceretti, a guard, holding the distinction of being high man with 17 years.

Bays, Wanderers Score Rugby Wins In Second Division

Saturday's rugby play was confined to second and third division fixtures with the first division match between J.B.A.A. and Canadian Scottish canceled. In the second division J.B.A.A. defeated Canadian Services College 6 to 3 and Wanderers won from Fifth Regiment 15 to 3. Third division fixtures saw Victoria College win from Naden 6 to 0 and Bays turn back Canadian Scottish Cadets 14 to 8.

The match between Bays and Services College was a hard-fought affair with Bays taking the lead on Don Crossley's 40-yard run for a try. Before half-time Norm Wowlyk scored a second try for the oarsmen, giving them a 6 to 0 edge at the half.

Second half saw Sweeney register a try for the College to close out the scoring.

OLSON STARS
Wanderers had little trouble beating the Fifth with John Olson in the star role. Olson scored a try and then converted for the extra points to make it 5 to 0.

In the second half Hutchinson went over for the Wanderers and Olson again converted, giving his club a 10 to 0 margin.

Before the close Hutchinson scored another try and Olson converted for the third time. Lone try for the Fifth came when the forwards pushed over from a three-yard scrum.

The Bays' third division entry won on a pair of tries by Ian Firth, one each by Goodall and Caviness and a conversion by Graham Fox. Toews and Caldwell scored tries for the Scottish and Ward kicked a conversion. College defeated Naden on the strength of a try and penalty goal.

Vancouver Star Fencing Champion
VANCOUVER (CP)—George Braund of Vancouver was crowned international fencing champion Sunday after a clever victory over Morris Castle of Spokane in the men's open foil division.

Braund, Canadian champion last year, also capped first place in the men's open saber contest by defeating Tom Whiffin, Vancouver, as the two-day international tournament ended.

The men's junior foil crown went to Herbert Denny of Spokane with fellow townsman Mario Saccomanno, finishing second.

The only woman to win events among the 23 contestants was Mrs. Vera Bailey of Spokane. She took both the women's open foil and the women's junior foil contests.

Table Tennis Play Commences Tonight
League play will open in the eight-team senior Victoria Table Tennis League at the north ballroom of the Crystal Garden, tonight at 8.

Senior league games will be played on Mondays through the season with juniors playing on Tuesdays. The junior circuit will hold its opening a week from tomorrow.

Players are requested to pick up membership cards at the box office at the Crystal.

PAIGE BEATEN
LOS ANGELES (APA)—Satchel Paige, Cleveland Indians' relief specialist, suffered his first defeat in winter exhibition baseball at Wrigley Field Sunday as Bob Lemon's all-stars whipped his Kansas City Royals 8 to 4 before 14,625 fans. Paige struck out only one man and allowed eight hits and eight runs in five innings.

Red McMillan, whose season scoring record usually can easily be reckoned on the fingers of one hand, came through with a million-dollar goal here Saturday afternoon to give Victoria United a 4 to 3 victory over North Shore and send 1,300 fans home in a happy mood. It was the first setback suffered by the league-leading Reds in seven matches. The win moved Victoria into sole possession of second place, three points behind North Shore with two matches in hand.

In a second match Saturday, on the mainland, St. Andrews edged New Westminster 1 to 0 on the strength of a second half goal by George Steele.

United will now be idle until November 11 when they engage New Westminster Royals at Athletic Park. Two days later the local club will travel to Vancouver for a match against St. Andrews.

A meeting of the Coast League executive will be held in Vancouver Thursday night when a decision will be made regarding the canceled game here between United and Vancouver City. The match was called off when City were unable to get here through their plane being grounded at Vancouver.

McMillan's pay-off goal Saturday, all against the trend of the play, came with six minutes of time remaining. United were awarded a free kick and McMillan slipped the ball to right-winger Nip Sage. Taking a return pass the hustling halfback fired a high loop at the North Shore goal and it slipped over goalie Frank Ashdown's outstretched hands into the net.

FORWARDS LOOK GOOD
Experimenting with a revamped forward line the United displayed a lot smoother attack and in the first half, especially, had North Shore on the defence most of the time. Sage at outside right turned in one of his best games in years. Noel Morgan on the opposite flank, scored one goal, and time after time beat the opposing defence to get across perfect crosses. Veteran Gordie Bell, at inside right, proved a perfect feeder for the remainder of the forwards while newcomer Dick Bell at inside left showed a lot of neat touches, although he showed little desire for backchecking. In that regard it must be remembered it was his first match of the season and in addition he suffered a nasty crack on the shins early in the first half.

Defensively the United looked shaky at times. Syd Robbins was steady and clearing well at centre half while McMillan broke up a lot of North Shore attacks and combined well with Gordie Bell on the offense. Joe Robbins was solid at right back but Al Boyd, playing his first game at left back, appeared to suffer from nervousness and inexperience. However, the youngster showed lots of hustle and should be a comer. Joe Travis was safe in goal, although he got crossed up and allowed Dave Brown to outsmart him for North Shore's third goal, which tied the score in the second half.

MORGAN SCORES
United took the lead at 12-min-

ute mark with the prettiest goal of the match. After Sage had blocked a clearance Gordie Bell crossed and Morgan beat Ashdown with a sizzler to the far corner. Ashdown, who was shaky all afternoon, gave the United their second goal. After gathering in a header from Morgan he fumbled and the ever-alert Bill Hope, at centre-forward, blasted the loose ball into the net.

Two goals down North Shore rallied and when the United elected to crowd in front of their goal, the Reds took advantage, with Brown walking the ball past Travis. Carrying the offensive again United were awarded a penalty for hands by back Harry Anderson. Gordie Bell scored easily with a ground shot. Minutes before halftime Brown made it 3 to 2 with a sneak shot during a melee in the Victoria goalmouth.

At the 20-minute mark in the second half North Shore tied the score. Trevor Harvey lifted a free kick into the Victoria goalmouth. When somebody called the clearance Travis made no attempt to take the ball and Brown calmly headed it over the goal into the net to complete his hat-trick. Before McMillan's winning goal North Shore forwards twice rattled the crossbar with shots that had goal written all over them.

HEADS SKATERS
OTTAWA (CP)—Norman V. S. Gregory of Montreal was re-elected president for a third term of the Canadian Figure Skating Association at the 35th annual meeting here Saturday.

It was announced the Canadian figure skating championships will be held at the Minto Skating Club of Ottawa next year, probably late in February.

Clock Robs Cougars Of Football Victory
A few seconds spelled the difference between victory and a tie for Lou Mogul's Cougars Saturday as old Father Time ran out just before kicker Tom McKeachie scored a rouge in an attempt to break up a 5 to 5 tie with the highly-touted Vancouver Meralomas in a Canadian grid fixture.

Cougars almost snatched the victory climaxing a late drive that saw fullback Buddy French toss successive passes to Al Denoni and Bill O'Connell, sending play to the visitors' 30-yard line. McKeachie came on for French and lifted a boot to the five-yard marker and then dropped a short punt into the end zone, but after a heated discussion between the referees and Meralomas, it was decided that time had already run out before the play was made.

Locals gained a total of 12 first-downs, while Meralomas were close behind with 11. In the first quarter, Vancouverites bobbled a good scoring opportunity when an attempted forward pass from Keeley to Earl Martin fell incomplete. Martin was a source of annoyance to Cougars, however, and early in the second stanza, he raced 15 yards for the first score of the game. Meralomas' attempted kick for the extra point was low.

MITCHELL GOES OVER
Speedy Ray Mitchell played a bang-up game for the locals, and towards the latter stages of the third quarter, completed a 15-yard end run to tie the score, five-all. Kick for the extra point failed. Early in the fourth, Cougars reached the visitors' five-yard line, but on the next play lost some valuable yardage and possession of the ball to boot. This set the stage for a strong Meraloma offensive which saw them score four successive first downs and play ended up on the Cougars' 40-yard post. It was then that the city squad began its last-minute pressure attack.

McKeachie, playing his first game for Cougars, saw action in the fullback slot, and gained yardage on numerous occasions with his kicking prowess. Other standouts for locals were Len Scott, Mitchell, French and Red White.

Saskatchewan Riders End Winnipeg Reign

The Grey Cup final should be different this year. Winnipeg Blue Bombers won't be there and Toronto Argonauts have a long, long way to go to make the east-west championship game.

Bombers, annual western champions since 1936, were shoved from the picture by Saskatchewan Roughriders who beat Bombers 16 to 7 to take the western conference's second playoff spot. Riders now meet Calgary Stampeders in the western final.

In a return to their old form, Argos beat Montreal Alouettes 24 to 11. But to make the Big Four playoffs Argos must beat the powerful Ottawa Roughriders Saturday and Hamilton Wildcats must beat Lew Hayman's Alouettes.

In games that meant nothing but reputations and gate receipts, Ottawa staggered past Hamilton Wildcats 18 to 5 and Hamilton Tigers wound up the Ontario Union schedule with a 41 to 9 drubbing of Windsor Rockets.

Toronto Beavers Indians had qualified for the O.R.F.U. playoffs by beating Sarnia Imperials 22 to 1 Friday.

Toronto and Hamilton start a best-of-three series for the league championship Friday in Toronto, with the next games scheduled for Hamilton Nov. 13 and Nov. 17.

EQUAL RECORD

The powerful University of Western Ontario Mustangs wrote a new page in Canadian football history by surviving a shaky start to beat Queen's 23 to 9, their 26th consecutive game without a loss. It tied a 26-game record set by Queen's teams in the early 1920s.

University of Toronto smashed McGill for the second straight week. The 33 to 0 victory put Varsity in second place in inter-collegiate standings.

Roughriders and Blue Bombers ended the season tied in the western circuit with three wins each. But Roughriders better scoring record sent them into the playoffs against the undefeated Calgary Stampeders. The Saskatchewan crew had 133 points for and 137 against while Winnipeg had only 81 for and 234 against.

The two-game total-point series

starts Nov. 6 in Regina and finishes in Calgary Nov. 11.

Holding a 13 to 11 halftime lead, Argos rolled up 11 more points in the second half. Big Frank Dunlop plunged for three touchdowns. Joe Krol added eight points on two placements, a convert and a rouge and his passes to Royal Copeland, Fred Doty, Jack Wedley and Pete Titanic set up the touchdown plays.

Bob Cunningham and Bronco Reese got the Montreal majors. Hamilton Wildcats moved into a 4 to 0 half-time lead over Ottawa on Bull Mugmly's place and Ralph Larue's single. Then Tony Golab crossed the line twice in the third quarter and Pete Finlay was end man on an 85-yard lateral-passing play that paid off with a major. Eric Chipper converted the three touchdowns.

TIME OUT!

Dutton Cracks Down On Unregistered Prairie Pucksters

CALGARY (CP) — Mervin (Red) Dutton, wielding the same heavy hand that a few years ago ruled the National Hockey League, Sunday cracked down on Western Canada Junior Hockey League clubs for using improperly registered players.

Dutton, governor of the circuit, levied fines of \$50 each against Calgary Buffaloes, Lethbridge Native Sons, Medicine Hat Tigers and Bellevue Lions.

All offences were in connection with opening games played by the teams. "Further infractions of this nature," Dutton said, "will result in fines of \$250 instead of \$50."

It was indicated by officials at the meeting that the fight to declare certain players eligible for competition in the western league will be carried to the Canadian Amateur Hockey Association.

Names of players and clubs affected were withheld.

The meeting also reversed a recent schedule change and as a result Moose Jaw Canucks play in Calgary Saturday, Nov. 6 and in Medicine Hat Nov. 5 instead of vice-versa.

Cage Games Tonight

Three basketball games are carded at the Victoria High School gym tonight with K.V.'s clashing with Esquimalt A.A. in the senior B men's feature at 9. Esquimalt Genii and Hotshots will meet in a junior girls' game at 7, and Hudson's Bay and Eagles in a senior women's contest at 8.

Regina Caps Hand Edmonton Setback For Hockey Lead

EDMONTON (CP) — Regina Caps took over unshared leadership of the Western Canada Senior Hockey League by edging out Edmonton Flyers 4 to 3 here Saturday night in a game featured by the outstanding work of Bev Bentley in the Regina nets.

Before a crowd of more than 6,500 Regina handed the Allan Cup champions their first defeat in five starts this season. It was the fifth win in six starts for Art Somers' Caps who until Saturday had shared first place with Flyers.

Sweeney Schriener, making a player comeback at 38, scored two goals for Regina and the other Cap marksmen were Red Tilson and Bill Kyle. Edmonton snipers were Bernie Bathgate, Colin Kilburn and Andy Clowchok.

Schriener, coach of Lethbridge Maple Leafs for the last two seasons, didn't waste any effort skating but his two goals while Caps were floundering for almost two and a half periods put Regina within striking distance when the Saskatchewan team finally came to life in the last 12 minutes.

Bentley BRILLIANT But even Schriener's two goals would not have been much help if Bentley had not turned in a sensational display of puck blocking while Edmonton dominated play by a wide margin. The shots on goal—34 on Bentley and 28 on Keith Woodall in Flyers' nets—do not give a true indication of the play.

Bentley, a nephew of the N.H.L. Bentleys, robbed Edmonton, forwards time and again before his teammates could untrack themselves. Until the last 12 minutes there were few dangerous shots on the Edmonton net.

Longden, Molter Leading Figures At California Track

ALBANY, Calif. (AP) — Meet the winners of Golden Gate Fields' 41-day horse racing season: Jockey Johnny Longden, formerly of Taber, Alta., trainer Willie Molter, owner Neil S. McCarthy—and the record-equalling horses, Shannon II and Prevaiator.

Longden, as usual, topped other jockeys by bringing home 55 winners in the 41 days; his mounts earned \$166,830. Walter Litzenberg was second with 31 winners.

Longden's record here moves him a long step nearer his second successive national riding championship and the third of his long career in the saddle.

The veteran jockey climaxed his Golden Gate stint by bringing home Clifford Moores' Old Rockport in the \$15,000-added California Centennial Handicap on the closing Saturday.

Trainer Molter saddled 24 winners during the meeting. Molter-trained entries won \$161,415.

McCarthy, a Los Angeles lawyer, was the top money-winning owner, largely because of his Australian import, Shannon II. Almost all of McCarthy's \$75,320 came from Shannon II's victories.

Sports Round-Up

By HUGH FULLERTON JR.

DURHAM, N.C. (AP) — Almost every hockey fan knows that a "rink rat" is a kid who hangs around an arena, hoping for a chance to get in a few minutes on the ice. But Jim Hendy, United States Hockey League president, found that the expression isn't known in Texas. When a game on a Texas rink went into overtime, it was found that the men who resurface the ice had gone home. Looking for someone to do the job, Hendy asked the arena manager: "Isn't there anyone who'll do the job? Don't you have any rink rats?" The manager spread his hands about a foot apart. "Sure, we have lots of them, about so long," he responded.

THE EYES HAVE IT

Bill Bentley, one of the south's better football officials, has a theory that a wisecrack now and then makes it a lot easier to handle a game.

The kids don't get fighting mad if you keep them laughing. Currently Bill is chuckling over an incident in a recent game when a player rushed up to him asking: "Did you see that? Did you see how he's holding me on every play?" Bentley squinted a little and replied: "Come a little closer, son, I can't even see you."

FREE SUBSTITUTION

During a barbering session after the Duke-Georgia Tech game Saturday someone remarked: "This free substitution rule is ruining football, something will have to be done about it." That brought down the house because everyone agreed. During the course of the conversation they gathered that several of the veteran southern coaches are ready to initiate a move to limit substitutions in some way.

Cy Rouse Sparks Spokane To Ice Win

SPOKANE (AP) — Cy Rouse scored two goals and assisted on another last night to give Spokane a 5 to 3 victory over Kimberley Dynamiters before 2,400 Western International League hockey fans, the largest crowd of the season.

A stout defence by the league-leading Flyers in the third period

stopped a Kimberley rally. Spokane played with only five men through much of the final period.

Three Teams Boast Undefeated Records In Juvenile Soccer

Though the first division juvenile soccer league is now one month old, there are still three undefeated squads in the circuit. Esquimalt Meat Market, Vets of France and Heaneys are the teams with unblemished records. Esquimalt kept their mark intact for the third straight week with a tie game, battling Heaneys to a 1 to 1 score on Sunday while Vets of France doubled the score on Jubilee Pharmacy, 4 to 2, in the other league match.

Robb counted a first-half goal for Heaneys on a pass from Walker. Esquimalt tied it up in the last half when Smith banged home the first goal against the transformers this season. Hill played well for Heaneys' while Jack Wright was a standout for Esquimalt.

Vets of France took a two-goal lead in the first half of their game with Jubilees, scoring two markers without a reply. Teams divided four goals in the second half. Bennett got two goals for the winners with McIntyre and Rowe counting the others while Noel and Cornish scored for the pharmacists.

Roller Hockey

Sunday's games in the Roller Hockey League at Stevenson Park saw James Boy nose out Foul Bay 3 to 2 and Civil Service turn back Oak Bay 3 to 1.

Scorers for James Bay were Johnny Christiansen, Des McGimpsey and Stewart with Sal O'Connell and Jack Walker hitting the twine for Foul Bay. Bill Tuttle with two goals and Bob Coates provided the Civil Service punch with Glenn Murdoch saving Oak Bay from a shutout.

Next Sunday's games will see James Bay meet Civil Service and Foul Bay oppose Oak Bay.

Paul Rowe Captures Grid Scoring Title

WINNIPEG (CP) — Battering Paul Rowe emerged today as the 1948 scoring champion in the Western Inter-Provincial Football Union in a season dominated by players from Calgary Stampeders and Saskatchewan Roughriders.

Rowe, veteran halfback, finished the schedule with 35 points. His winning margin was by a scant two points over another veteran, kicking-half Ken Charlton of the Roughies, while the 1947 champ, Dusky Gabe Patterson of the Roughies, came third with 32.

Both Charlton and Patterson made it close. They were in action Saturday against Winnipeg Blue Bombers in the schedule Wind-up whereas Rowe already had completed his schedule the previous Saturday. But neither of the Regina aces could manage to shove into first place.

Charlton scored a touchdown against Bombers while Patterson

son, who picked up a point on a convert, once shook loose on a 55-yard gallop and appeared touchdown-bound until knocked out of touch with only one man to beat.

OTHER LEADERS

Freddie Wilmut of Stamps, with 30, and Keith Spait of Stamps, with 26, took the fourth and fifth places in the scoring. Three men tied for sixth with 25 points—Woody Strode of Stamps, Bob Sandberg of Bombers and Darrell Warden of Roughies. Harry Hood of Stamps came next with 21 while Sully Glasser of Saskatchewan caught the 10th scoring position with 20 points.

Rowe fashioned his point total from seven touchdowns while Charlton had four touchdowns and 13 single points from his kicking chores. Patterson's points were spread over the most ground—14 converts, two touchdowns, two field goals and two singles.

Jury Rules Accidental Death For Victim Of Car Collision

A verdict of accidental death was returned this morning by a coroner's jury at McCall Bros. Funeral Home, inquiring into the death of 59-year-old Melvin Cooper Graham, 1932 Balmoral Road, who died in Jubilee Hospital last Wednesday from injuries received the evening before when in collision with a car.

The collision occurred on Pandora Avenue, near Vancouver Street. Driver of the car involved, Kenneth B. Poskitt, 40, of 1637 Pembroke Road, was charged by city police with manslaughter following Graham's death.

According to testimony of police constables at the inquest, the Poskitt car was proceeding west on Pandora when the collision occurred.

Graham was evidently attempting to cross Pandora about 40 feet away from the proper intersection. He was wearing dark clothes. It was raining, skies were dark and visibility was poor, police officers said.

Poskitt was quoted as telling police that he did not see Graham until the impact.

At the inquest, Poskitt decided against giving testimony on his own behalf.

Constable Richard Berry, who attended at the scene of the collision, told the jury he found a

gin bottle in the pocket of the deceased. It was only half full.

The Poskitt car, the constable testified, was a 1928 model. Its brakes were fair, he said, but it had no windshield wiper.

Dr. Ross McNeely, Jubilee pathologist, who conducted a post mortem, said all Graham's ribs on the right side, with the exception of the upper and lower-most, were fractured; the skull was fractured; the right thigh bone broken near the hip; the right tibia broken, and the right collar-bone broken.

The body was badly cut and bruised.

Serving on the jury were: Shirley Temple, Robert Davison, Edwin G. Porter, Herbert E. Amos, Gordon E. Martin and Warren W. Martin. Dr. E. C. Hart was coroner.

Seek Missing Boy

City police have been on the lookout for a 15-year-old boy who has been reported missing since Oct. 20. He is George Barton who looks like age, is five feet seven inches tall, weighs about 100 pounds. The boy has a scar on his chin and light brown hair brushed down the forehead.

When last seen he wore tan corduroy trousers, a navy blue zipper jacket and black oxfords.

Anyone seeing a boy of this description is asked to contact city police immediately.

U.B.C. Man To Talk On Town Planning

Prof. Frederic Lasserre, head of the department of architecture at U.B.C., will address the Victoria University Extension Association tonight at 8.15 at the Victoria College Normal School auditorium. His topic will be "Town Planning."

Prof. Lasserre, one of the leading authorities on architecture in the country, will briefly survey the history of town plans, showing how they reflected the social needs of the times. Present-day social needs will be analysed and the essential elements of a town will be discussed together with the preparation for a town plan.

Special invitations to the lecture have been sent to members of the Town Planning Commission of Victoria.

Tonight's address is expected to swell still further the record attendance at the association's meetings. To date, 251 members have joined, more than 50 per cent more than last year, according to Prof. R. T. D. Wallace, president.

Third Power Hearing To Start This Month

Hearing of the third and last appeal of a power corporation against the expropriation price set by a valuator for properties taken over by the B.C. Power Commission in 1945 will begin in Vancouver, Nov. 22.

All three members of the government-sponsored power commission are in the city preparing for the West Canadian Hydro-Electric Corporation case.

Just completed in Vancouver is the month-long hearing of the appeal of the Columbia Power Co. Ltd. before Mr. Justice J. O. Wilson.

Once the West Canadian Hydro-Electric hearing is over, counsels for the commission and the three companies involved — the two mentioned above and the Naimo-Duncan Utilities Ltd. — will give their arguments. The arguments have been left till evidence in all three hearings has been completed, because much of it is similar.

Twelve-year-old James Goldie of Broadway Avenue, Saanich, was taken by police to Royal Jubilee Hospital Saturday night, suffering from serious burns to his thigh. The burns resulted when Halloween fire crackers exploded in the boy's pocket.

While wholesalers here believe there will be periods during this winter when butter will be hard to get, things will not be too bad. A million or more pounds of Australian butter is expected to arrive on this coast Dec. 1 and another shipment on Jan. 1.

They say that while this butter will not be enough to meet all the demand, it will relieve the shortage considerably.

The Australian butter will be more expensive than Canadian butter.

If it were not for Canada's conservation program of U.S. dollars, wholesalers here could bring in American butter at about 67 cents a pound.

Saanich Residents Are Urged To Visit Schools

Reeve E. C. Warren of Saanich, today called on all residents of Saanich to observe Canadian Education Week—Nov. 14 to 20—by taking advantage of the opportunity to visit local schools on "open day."

Permit for construction of a dwelling at 1616 Brooke Street, to cost \$6,000, was issued to Mr. and Mrs. A. Appleton by the city building inspector's office today.

is for Diggon's where you can get those "Second Sheets" for 10c a pad, or any other office supplies at lowest possible prices.

Application was received at City Hall today from Mrs. Lillian G. Reid, R.N., for amendment to the city's zoning by-law to change the zoning classification of 1406 Ryan Street from single-family to two-family district, in order to operate a convalescent home on the property.

Lou Gehe Lewis, taxi driver, was fined \$50 and had his license suspended for one month by Magistrate H. C. Hall this morning in city police court. He earlier pleaded guilty to dangerous driving on Oct. 25 on Johnson Street extension. Constable Donald Bue told the court today he paced accused at 65 miles an hour.

Suggestion that the forthcoming municipal elections, the returning officers accept nominations up to 2 o'clock on the day of nomination, rather than between the hours of 10 and 12 noon only, was made by B. C. Bracewell, deputy minister of Municipal Affairs, in a letter received by M. F. Hunter, city clerk, at City Hall today. Reason for the suggestion was the ambiguity between two sections of the Municipal Elections Act, one stating the hours 10 to 12, the other allowing the candidate until 2 in the afternoon, to file nomination papers.

Funeral services will be held in Vancouver Tuesday afternoon 1.30 for Dr. H. Clare Horwood of Toronto, well-known geologist of Toronto, who passed away in hospital at the mainland city at the age of 42.

Dr. Horwood, who was attached to the Ontario department of mines and previously had served with the Dominion department of mines, became ill in Victoria, while visiting Mrs. Horwood's parents, Mr. and Mrs. C. H. Orme, 687 Mount Joy Avenue. Surviving besides the widow are one son, a daughter, Miss Lora Horwood, B.A., R.N., associate professor at U.B.C.; his stepfather, Dr. E. L. Bruce of Queen's University, Kingston, Ont., and a sister, Mrs. H. T. Davis, also of Kingston.

Letting And Grapes Arrive In Victoria

First California lettuce and grapes to come into Canada since last November, when Finance Minister Abbott's program for conserving United States dollars went into effect, arrived in Victoria this morning.

Today's shipment included one carload of lettuce and one carload of seedless grapes. More will follow now the government has eased up on its rigid embargo regulations. The ban on these food commodities was removed Sunday midnight.

Tomorrow, California tomatoes will arrive. These, also, have been embargoed for a year.

Allowing tomatoes to be imported has considerably reduced the price of local hothouse tomatoes. The local tomatoes dropped \$3 a crate wholesale within a week as a result of removal of the border ban.

Universities Facing Crisis Says President Of Western

TORONTO (CP) — Dr. G. E. Hall, president of the University of Western Ontario, said today that lack of financial support and "the difficulty of being constructive when forced to exist on a year-to-year basis" are making it virtually impossible for Canadian universities to meet their responsibilities and to do the job of which they are capable.

In a speech to the Toronto Canadian Club, he said the universities could meet their responsibilities towards their students and their communities only if the financial crisis were solved. "The universities today find themselves as the seats of higher learning in the midst of tremendous scientific advancement and of social and economic strife," he said. "At the extremes they have two major alternatives to become a retreat for scholars and students desirous of quiet contemplation remote from the struggles of an adjusting society, or to become impressive institutes of science... disgorging the technicians and specialists for our scientific age."

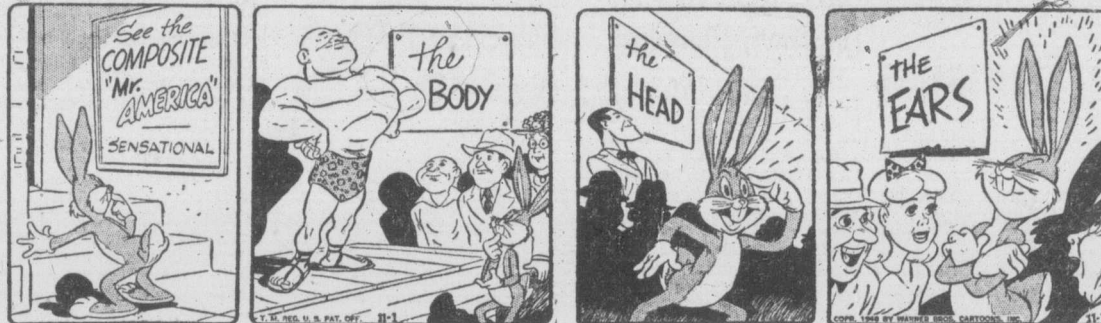

LEADERSHIP NEEDED

"I believe that we must in Canada assume our proper place by becoming vital forces in the study and actual practice of living in this everyday society which we serve. The universities must accept the challenge of giving leadership in a world which, through the impact of science,

the chaos of international affairs and the influence of the social revolution, is changing the life of every citizen of every country."

Dr. Hall said that in his opinion the major responsibilities of the university are to teach well, to engage in research and to develop the student as an individual.

UEFB MOBILIZES TO GIVE BRITAIN STRENGTH ... IN COLD WAR TO WIN THE PEACE

REASON FOR UEFB

The Fund resulted from an investigation by groups interested in British relief. By centralizing buying and transportation, including delivery at destination, substantial savings could be effected. The scattered efforts of many could be channelled into an efficient single stream of relief, without a loss of individuality as to persons, groups or organizations. Actual savings of 24 to 30% in shipping and handling cost alone have been estimated—meaning larger parcels of food for the same cost, the elimination of private competition for scarce items, more rapid and efficient delivery.

MORE AID PER DOLLAR

For example: the cost of placing a ready packaged 10 lb. parcel in the hands of a recipient in Britain, exclusive of content purchase price, is approximately \$2.50 at present, whereas through UEFB concessions the comparable cost would be 57c to 79c. This economy does not include the very substantial saving which bulk purchasing effects.

OTHER ORGANIZATIONS

Other organizations are not given this national service nor are they obtaining the very large concessions which the co-operating Governments have assured UEFB. However, the Fund facilities are available to every group or organization at present extending aid to Britain.

GOVERNMENT AID

The Canadian Government is placing at the UEFB disposal, as far as they can, warehouse and other facilities. The Government, the railways and several members of Provincial Transportation Associations are co-operating in giving UEFB a preferential freight rate to Canadian ports.

The gallant people of Britain are suffering today because they are determined to win the cold war. They are the only nation in Europe fighting with body and mind to vanquish the spectre that haunts the Old World.

The people of Britain are not complaining. But their health is being weakened... by the tremendous restrictions they have imposed upon themselves. In their determination to win the cold war, they stand in danger of being defeated by undernourishment.

Undernourishment is the greatest danger of every person living in Britain today. Why? Because Britain imports four-fifths less goods than before the war, yet exports more than half as much again as in 1939.

Says the British Ministry of Food:

"... we are living on marginal nutritional standards; and there is cause for anxiety lest this should be having adverse effects on physique and health... Everything you can send us is wanted and urgently wanted."

YOU can't afford to let the British people down. If they go under YOU, and all of us, will feel the effects. We need a strong Britain to help fight the cold war. Give generously to UEFB—TODAY.

GIVE BRITAIN STRENGTH!

City Schoolgirls Help Chest Drive

Among contributions made today to the Greater Victoria Community Chest campaign was one for \$2, turned in by two little girls who live at 1591 Hillside Avenue.

Mary Ann Durrell, 10, and Marilyn Townsend, 11, raised the money by putting on a play in the living-room of their home. They invited all their classmates at Oaklands School and netted the \$2 by taking up a collection.

'My Girl Tisa'

Stars Lilli Palmer

Lilli Palmer, lovely star of Warner Bros. heart-warming tale, "My Girl Tisa," a United States Pictures production which is the attraction at the Atlas

Theatre starting today, arrived in Hollywood literally unheralded and unsung. She came to the film capital with her husband, Rex Harrison, the British star of stage and screen, so she was known as Mrs. Harrison until producers saw one of Harrison's British-made motion pictures.

'Wild Irish Rose'

Revives Vaudeville

Vaudeville which flourished at the turn of the century is depicted in graphic color by Technicolor style in Warner Bros. film offering, "My Wild Irish Rose," with Dennis Morgan as Chauncey O'Leary, showing at the York Theatre. Lillian Russell, Weber and Fields and other headliners of that era, figure in the colorful plot which is woven into the fascinating story.

CAPITOL THEATRE

Norman Taurog, whose success in directing and developing child stars in Hollywood has been unequalled, now adds the "first little lady" of Hollywood to his list—Margaret O'Brien, whom he led through her paces in the new M-G-M comedy-drama, "Big City," now showing at the Capitol Theatre.

It marks the first time the young star has been directed by Taurog, who in the past has been credited with much of the early progress made in their respective careers by Mickey Rooney, Judy Garland and Jackie Cooper.

ODEON THEATRE

All who remember the famous

Alpine Dakota crash in 1946, when rescue teams struggled for days to reach the occupants of a crashed aircraft, will want to see "Broken Journey," the new Sydney Box Gainsborough picture which is currently at the Odeon Theatre.

Starring Phyllis Calvert as the air hostess, the picture tells the story of 13 people stranded on an Alpine glacier with little hope of relief.

Francis L. Sullivan, David Tomlinson, Margaret Grahame, Raymond Huntley, Derek Bond and Guy Rolfe are other members of the aircraft's complement, and all give excellent characterizations of varying human types under great emotional and physical strain.

Montreal Hockey Players Rescue Several In Wreck

MONTREAL (CP)—Coach Frank Carlin of Montreal Royals, in a telephone conversation told how his players had battled through flames in the wreck of two Montreal-Boston trains Saturday to save several passengers from a fiery death.

The Quebec Senior Hockey League team was en route to Boston for a game with the Boston Olympics when their train and a northbound train collided. "All of the players were either dozing or sleeping when the crash came," Carlin said. "Then

came a terrific bang, followed by a moment of deadly silence. "After the crash all the players immediately pitched in to the rescue job. We heard one man thrown clear, calling for help from the bushes. It was pitch dark . . . We could only see a few feet ahead of us, so the players lighted newspapers and we finally found the injured man, who had a broken back. We got him into an ambulance."

STILL HOLDING BRAKE HANDLE

"Some of the players found the dead engineer, but Gerry Plamondon was the first to reach him. He was still holding the brass handle of the emergency brake in his hand."

The coach told how some of the players helped dig one of the engineers out of the wreckage.

DEATHS

MACKINNON—Suddenly on Oct. 31, 1948, at the residence, 2655 Lansdowne Road, the late Mrs. MacKinnon, born at Hay's River, N.S., and a resident of this city for 14 years. He leaves his wife, at home, and two sons, Maj. N. D. C. MacKinnon, M.C., Calgary, Alta., and Charles Eric MacKinnon in Vancouver, and one daughter, Mrs. C. White, Vancouver, N.W.T.

The remains are resting in Hayward's B.C. Funeral Chapel, pending funeral arrangements.

IN MEMORIAM

TUCKER—Valerie Evelyn, November 1, 1948.

Always so good, unselfish and kind. None on this earth your equal I find; Honorable and true in all your ways. Loving and faithful to the end of the year.

Honest and liberal; ever upright. Just in your judgment, always right; Loved by your friends and all whom you met. One in a million, that dear wife was you. Three years have past, our hearts still miss you.

As time rolls on we miss you more; A loving mother, tender and true. What beautiful memories you left behind. —Always near us, Tom and Tommy and family. (Vancouver Daily Sun please copy.)

Does your
family
fit this
picture?

INCOME in early married life is never large. You haven't had time to build reserves to provide for your family in the event of premature death.

The Crown Life Guaranteed Family Income Benefit has been designed to meet the needs of the young family. It will give your family this necessary protection—and at low cost.

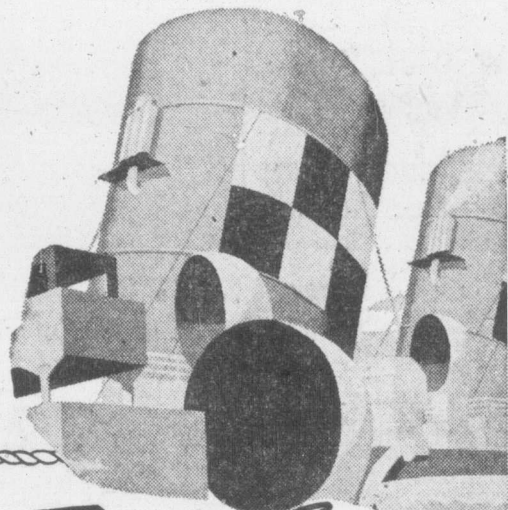

How? By providing a regular monthly income while the children are growing up and at the end of the income period a further payment in cash of the full face value of the policy.

Get in touch with a Crown Life Representative today. He will be glad to go over the plan in detail with you.

1,078 B.C. Companies Registered To Date

Registrations of new companies are continuing at a high level this year but failing to equal the all-time record set during 1946. It was learned in the office of the registrar of companies today.

During 1946, when business activity began to roll again after the wartime slowdown, registrations hit the history-making total of 1,518. Indications are that this total will not be reached this year.

To date there have been 1,078 companies registered under the companies act so far this year in British Columbia. This is 76 short of the 10-month total for 1947.

October registrations this year totaled 91. This compares with 114 registrations made during October, 1947.

A big majority of the new firms are registered from Vancouver thus indicating that the mainland city is the financial and commercial city of the province.

Canso Flying Boats, Idle 4 Years, Tuned For R.C.A.F.

MOOSE JAW, Sask. (CP)—Five of 31 big Canso flying boats unused for four years are being tuned up for active duty with the R.C.A.F.

Stored at the former air training school south of this city, at least five of the craft will return to the R.C.A.F. and it appears the other 10 of the 15 planes still owned by the air force may be reconditioned as well. Seventeen are owned by a private firm.

Air force and private mechanics working under government contract at Moose Jaw's airport have been able to put two planes into the air for part of the five hours of test flights demanded before ferry pilots take them away—to Montreal perhaps.

The air force-owned amphibians have been under cover the past four years and are said to be in perfect condition.

It takes about 30 days to whip one into shape, although interruptions and repair delays extend that period.

Flying the two planes already

up were Flt. Lt. Ted Hall, D.S.O., D.F.C., who is chief R.C.A.F. test pilot at Calgary. FO, Bob Race of Winnipeg, pilot on a mercy flight to the Arctic last winter to rescue a wounded missionary, has assisted as well as FO. Ken Norman, a second R.C.A.F. test pilot at Calgary.

In fighting trim with radar and the rest of the equipment, the planes are said to be worth about \$250,000. Their present value is stated to be less than \$100,000.

Redeemable at the option of the Company at any time in whole or from time to time in part, on not less than 30 days' notice, at par plus a premium of 5% thereon, plus an amount equal to all unpaid preferential dividends to and including the date fixed for redemption. These Preferred Shares when issued will be fully paid and non-assessable, and the rights, preferences, priorities, restrictions and conditions attaching thereto are more fully set out in the Additional Information forming part of the Prospectus. The authorized Preferred Shares of the Company may be issued from time to time in one or more series and the shares of each series rank equally with and in all respects possess the same rights, preferences and priorities and are subject to the same restrictions and conditions as the shares of every other series except that one series may differ from another or others in respect of one or more of the following matters, namely, (i) the rate or amount of the preferential dividend, (ii) the rate or amount of premium payable on redemption and (iii) the par value.

Registered share certificates will be exchangeable for bearer share warrants (or vice versa) at the option of the holders.

Transfer Agent: Montreal Trust Company—Victoria, Vancouver, Winnipeg, Toronto, Montreal and Halifax.
Registrar: The Royal Trust Company—Victoria, Vancouver, Winnipeg, Toronto, Montreal and Halifax.

In the opinion of Counsel, these shares will be a legal investment for funds of Insurance Companies registered under the Canadian and British Insurance Companies Act, 1932.

Mt. View High Plans Mammoth Carnival

A highlight of fall school activities at Mount View High will be the carnival to be staged Dec. 3, for the purpose of raising sufficient funds to handle all expenses for the next three years.

The carnival will be held from 2:30 to 5:30 and from 7:30 in the evening with a grand draw for ticket holders at 10. R. Huddleston will be general manager.

Students' council of Mount View High have under consideration reorganization of the prefect system and the sale of pins and school rings. A joint assembly is being prepared, after which individual houses will conduct their own programs.

All clubs in the school have made progress with almost every student in the school in one or more clubs. The students' council sponsored a co-ed barn dance, the first dance of the year, Friday night.

In sports, Mount View junior basketballers lead the interhigh league while the senior soccer team has to its credit, two wins, two draws and one defeat. The junior soccer team won one game, lost one and tied one. The girls' grass hockey team have had one win, a loss and a draw.

ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

FUEL COSTS CUT BY THOUSANDS
To the many thousands of homeowners who have insulated their houses with Johns-Manville Rock Wool, the present high price of fuel is less cause for alarm. Homeowners have learned through experience that Johns-Manville home insulation stops heat losses twice as effectively as any other fuel-saving method. They know that regardless of the original cost of this insulation, it eventually costs them nothing. It saves up to 30 per cent on fuel each year—keeps their homes snug and warm—free from harmful draughts. And, in summer-time keeps indoor temperatures cooler by up to 15 degrees.

If your home is not already insulated, get the facts and free folder on Johns-Manville Rock Wool Home Insulation from your nearest J-M dealer, or contact Johns-Manville, 1206 Homer Street, Vancouver.
